About MedStar Medical Group Anesthesiology

MedStar Medical Group Anesthesiology is the exclusive anesthesia provider for MedStar Health, the largest healthcare system in Maryland and the Washington, D.C., region. With nearly 400 employed physicians and advanced clinicians, MedStar Medical Group Anesthesiology is one of the largest anesthesia groups in the region.

MedStar Health is a not-for-profit healthcare provider that combines 10 of the leading hospitals in the region with a major research facility, primary and specialty care offices, home health care, pharmacies, radiation therapy, rehabilitation service, and more. Each year, the providers of MedStar Health help 1.5 million people lead healthier, happier lives.

Knowledge and Compassion
Focused on You

A rewarding opportunity

Become part of MedStar Medical Group Anesthesiology and join a dedicated team of respected medical professionals. We are the exclusive anesthesia provider group and a wholly owned subsidiary of MedStar Health. MedStar Health is the largest healthcare provider in Maryland and the Washington, D.C., region. Our anesthesia providers practice patient-centered care at nine hospitals and three MedStar Health ambulatory surgery centers.

The breadth of MedStar Health makes us unique and compelling for patients to receive care and for clinicians who want to advance their careers. But it's the opportunities for growth and professional fulfillment that make this such a remarkable place to work.

Join a forward-thinking team. MedStar Medical Group Anesthesiology physicians and advanced clinicians belong to one of the largest health system anesthesia groups in the region — giving you access to strong teams, the most advanced medical technologies, innovative treatments, the latest research, clinical trials, and more.

Shape your future. Work in an urban, suburban, or rural location. Focus on clinical, academic, or leadership growth. Drive innovation. Develop your career — all backed by our extraordinary resources.

Drive our success. Our provider group is run by clinicians, for clinicians. We are clinical leaders, content experts, and colleagues — working together toward shared goals. Your input on patient care and this organization all drive our — and your — success. MedStar Medical Group Anesthesiology providers are driving change at MedStar Health. Join us to be part of the advancements in anesthesia.

Live a life of balance. We never stop learning, growing, and evolving. But we also value work-life balance. Join us and experience the best of both.

Achieve your goals. MedStar Health benefits and programs are designed to help you and your family reach your professional, financial, and personal goals.
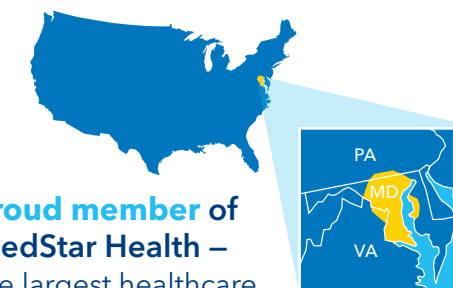

Strength in diversity

At MedStar Medical Group Anesthesiology, we believe that each of us, no matter our race, color, religion, gender, age, national origin, marital status, sexual orientation, physical or mental handicap, or veteran status, has a unique contribution to make. We know that diversity enhances our ability to deliver outstanding patient care. That's why MedStar Health is frequently ranked among the "Best Places to Work" by Baltimore magazine, Baltimore Business Journal, and Washington Business Journal. A proud member of the Institute for Diversity in Healthcare Management, we are committed to expanding career and leadership opportunities for ethnically, culturally, and racially diverse individuals.
