

Curriculum Vitae
Robert Mikael Henshaw, MD

Updated: 6/10/2014

Personal Information

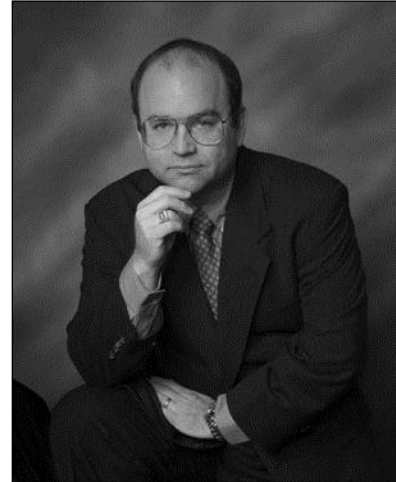

Name: Robert Mikael **Henshaw**

Citizenship: USA

Family: Married, 3 children

Business:

Vice Chairman, Orthopedic Surgery
and Director, Orthopedic Oncology
Washington Cancer Institute at
Medstar Washington Hospital Center
110 Irving St., NW
Washington DC 20010
Phone (202) 877-3970
Fax (202) 877-8959
Email:
robert.m.henshaw@medstar.net

Licensure

- Medical License D0052431, State of Maryland, since 1997
- Medical License 0101054077, State of Virginia, since 1996
- Medical License 21375, District of Columbia, since 1995
- Medical License G 074423, State of California, since 1991

Professional Certification

- Recertified in Orthopedic Surgery by the American Board of Orthopedic Surgery, January 1, 2010, valid through Dec 31, 2019
- Board Certified in Orthopedic Surgery by the American Board of Orthopedic Surgery, July 16, 1999, valid through Dec 31, 2009
- Diplomate of National Board of Medical Examiners, 1991
- Certified Fluoroscopic Supervisor, State of California, 1992
- Certified Midas Rex Operator, 1993

Awards

- Listed in Castle Connolly's "Top Doctors", 2013-2014
- Listed in "Best Doctors in America", 2013-2014
- Listed in Castle Connolly's "America's Top Doctors" and "America's Top Doctors for Cancer", 2012-2013
- Listed in "Best Doctors in America", 2012-2013
- Recognized by WHC "Our Celebrated Physicians" campaign, 2012
- Listed in "Best Doctors in America", 2011-2012
- Listed in Virginia Living Magazine Best Doctors, 2012
- Listed in The Washington Post magazine, Top Doctors, 2011
- AMA Physician Recognition Award with Commendation, 2010-2013
- Listed in "America's Top Oncologists", 2010-2011, by Consumers' Research Council of America
- Listed in "Best Doctors in America", 2009-2010
- Listed in "America's Top Oncologists", 2009 by Consumers' Research Council of America
- Recipient of the Nurses' Choice Physician Collaboration Award, Washington Hospital Center, 2008
- Listed in "Guide to America's Top Surgeons", by Consumers' Research Council of America, 2008
- Listed in Northern Virginias Top Doctors, 2008
- Listed in "Best Doctors in America", 2007-2008.
- Listed in "America's Top Oncologists", 2007 by Consumers' Research Council of America
- Awarded Top Poster, American Academy of Orthopedic Surgeons Annual Meeting, 2007.
- AMA Physician Recognition Award, 2006-2009
- Listed in Guide to America's Top Physicians, 2005-2006 by Consumers' Research Council of America
- Listed in Best Doctors in America, 2005-2006
- Listed in "Guide to America's Top Surgeons: 2002-2003" by Consumers' Research Council of America

Professional Experience

- Professor, Clinical Orthopedic Surgery (Orthopedic Oncology), Georgetown University School of Medicine. May 2013 to present.
- Director, Orthopedic Oncology, Medstar Georgetown Orthopedic Institute, 2013 to

present.

- Vice Chairman, Department of Orthopedic Surgery, Medstar Washington Hospital Center. 2007 to present
- Chief, Division of Orthopedic Oncology, Medstar Georgetown University Medical Center. 2007 to 2013.
- Director, Orthopedic Oncology, Medstar Washington Cancer Institute at Washington Hospital Center. 2007 to 2013.
- Director, Fellowship Program in Orthopedic Oncology, Medstar Washington Hospital Center, 2007 to present
- Associate Clinical Professor of Orthopedics, Georgetown University School of Medicine, Washington DC. 2006 to 2013
- Director, Orthopedic Oncology, Children's National Medical Center, Washington DC. 2006 to present
- Senior Staff Attending, Orthopedic Oncology/Orthopedic Surgery, Medstar Washington Hospital Center, Washington DC. 2005 to present
- Orthopedic Oncology Fellowship Coordinator, Washington Cancer Institute, 2002 to 2007. Program ACGME accredited since 2002
- Assistant Clinical Professor, Orthopedic Surgery, Georgetown University Medical Center, Washington DC. 2002 to 2006
- Attending Staff, Medstar Georgetown University Medical Center, Washington DC. 2001 to present
- Assistant Clinical Professor, Orthopedic Surgery, George Washington University School of Medicine, Washington DC. 1999 to present
- Staff Attending, Department of Orthopedic Surgery, Division of Orthopedic Oncology, Washington Hospital Center, Washington DC. 1998 to 2005.
- Junior Staff Attending, Department of Orthopedic Surgery, Division of Orthopedic Oncology, Washington Hospital Center, Washington DC. 1997 to 1998
- Attending Staff, Department of Orthopedics, Children's National Medical Center, Washington DC. 1997 to present.
- Consultant, Surgical Branch of the National Institute of Health, Bethesda, MD. 1997 to present
- Consultant, Dept. of Orthopedics, Walter Reed Army Medical Center, Washington DC. 1998 to 2000.

Education

August 1995 to June 1997. Fellowship in Orthopaedic Oncology, Washington Cancer Institute at Washington Hospital Center, Washington DC. Director: Dr. Martin Malawer

July 1991 to June 1995, Residency in Orthopaedic Surgery, UCLA Medical Center, Los Angeles, CA. Chairmen: Gerald Finerman, MD, Joseph Lane, MD

June 1990 to June 1991, Internship in General Surgery, UCLA Medical Center, Los Angeles, CA. Chairman: Daniel Zinnar, MD

September 1986 to May 1990, Doctor of Medicine (MD), Tufts University School of Medicine, Boston, MA

Honors: Adult Orthopaedics, Pediatric Orthopaedics, Surgical Intensive Care Unit, Pediatrics, Psychiatry, Molecular Biology, Cell Developmental and Tissue Biology, Immunology, Gross Anatomy, Histology, Pathophysiology, Microbiology, Systemic Pathology and Introduction to Clinical Medicine

August 1982 to June 1986 Bachelor of Science in Mechanical Engineering (BSME), Massachusetts Institute of Technology, Cambridge, MA

Major: Mechanical Engineering, Humanities Concentration in Literature

Member of: Phi Beta Epsilon

Tau Beta Pi, National Engineering Honor Society

Pi Tau Sigma, National Mechanical Engineering Honor Society

Thesis: **Henshaw**, RM "Femoral Strains In Human Cadaver Femurs Implanted With Cementless Titanium Collared Prostheses" (thesis submitted for the degree of BSME, MIT 1986) Advisor: Professor Robert W. Mann

Research Experience

Recent IRB approved projects

1. Project #2006-216 Long-Term Outcome of 535 Patients Treated for Soft Tissue Sarcoma: Emphasis on Impact of Anatomic Site, Stage of Disease, Chemotherapeutic Effect on Survival, and Choice of Surgical Procedure, Co-investigator
2. Project #2006-210 Baseline **Calcitonin** Precursor Levels in Musculoskeletal Oncology Patients, Primary Investigator
3. Project #2006-160 An Open-Label, Multi-Center Phase Two Safety and Efficacy Study of Denosumab (AMG-162) in Subjects with Recurrent or Unresectable Giant Cell Tumor (GCT) of Bone, Co-investigator
4. Project #2005-364 Cemented Endoprosthetic Reconstruction after Resection of Bone Tumors of the Proximal Tibia: A Long-Term Study Since 1982, Co-investigator
5. Project # 2006-060 Long-term Results of Endoprosthetic Reconstruction following Segmental Resection of Bone Tumors--Analysis of 242 Patients Over 22 Years of Institutional Experience, Co-investigator

6. Project #2005-320 Treatment of Unicameral Bone Cysts with Demineralized Bone Matrix, Primary Investigator

7. Telangiectatic Osteosarcoma of the Patella: A Case Report and Review of the Literature, Primary Investigator

1996-1997 Medlantic Research Institute new investigator research grant for epineural catheter research study

8/95 to present. Orthopedic Oncology, The Washington Cancer Institute at Washington Hospital Center, Washington DC

Ongoing projects: functional results of modular endoprosthetic replacements, neoadjuvant chemotherapy for soft tissue sarcomas, cytogenetics of sarcomas, departmental WWW homepage, computerized office integration, epineural catheters for postop pain control, cryosurgical treatment of bone lesions, cryogenic response of biomaterials

1/83 - 2/88 Orthopaedic Research Laboratory, Massachusetts General Hospital, Boston, MA Preceptors: William H. Harris, MD Murali Jasty, MD, Robert W. Mann, PhD. Projects included: Biomechanical analysis of in-vitro hip joint response to load and prosthesis implantation, in-vivo strain gaging of canine hip, mathematical modeling of bone microstructure, and software design and implementation

Awards: MIT/UROP and New England Life/UROP Health Science Research Scholarships, Harvard Medical School, and the William H. Harris Foundation

Professional Societies

- American Society Clinical Oncology, affiliate member since 2012
- American Orthopedic Association, member since 2011
- AOA/Council of Orthopedic Residency Directors, member since 2008
- Southern Orthopedic Association, member since 2005
- Musculoskeletal Tumor Society, full member since 2002
- Eastern Orthopaedic Association, member since 2001
- American Association of Orthopaedic Surgeons, Resident Member 1990-95, Candidate Member 1995 – 2000, Inducted as Fellow of the AAOS, 2/2001
- Connective Tissue Oncology Society, member since 1998
- American Medical Association, member since 1990
- DC Medical Society, member since 1998
- New York Academy of Science, member since 1998

Committees/Public Service

1. ASCO Education Committee, 2012 to present
2. AOA/CORD Communications/Web Subcommittee, 2009 - 2011
3. Medical Board, Medstar Washington Hospital Center, 2007-present
4. WHC Orthopedic Quality Assurance and Practice Committee, 2007-present
5. WHC Dept of Orthopedics Strategic Planning Committee, 2007-2010
6. WCI Clinical Quality Task Force, 2006-2007.
7. Peer Reviewer for American Academy of Orthopedic Surgeons: Orthopedic Knowledge Online, 2010
8. Peer Reviewer for Clinical Orthopedics and Related Research, 2009-2014
9. Peer Reviewer for Journal of Pediatric Oncology, 2008–2014
10. Peer reviewer for American Family Medicine, 2007
11. WCI Clinical Quality Task Force, 2006-2007.
12. Instructional Course Lecture reviewer for Musculoskeletal Tumor Society, March 2004
13. Peer reviewer for The Lancet, American Family Medicine, and the Orthopedic Care Online Textbook, 2001 - 2002
14. Ewing's Sarcoma International Symposium in Conjunction with NIH. Invited participant. Arlie, VA., April 2000.
15. Special Volunteer, Surgical Branch of the National Institute of Health, Bethesda MD. 1995-1997.

Invited Lectures

1. Golden Jubilee: 50 Years of Advances in Sarcoma: Surgical Advances in Bone and Soft Tissue Sarcomas, ASCO Annual Meeting, June 2014.
2. Multidisciplinary Treatment of Soft Tissue Sarcomas, ASCO Annual Meeting,

May 2013.

3. Urology Grand Rounds, National Institute of Health, "Orthopedic Management of Metastases from Prostate and Kidney", Bethesda MD, April 2013.
4. Grand Rounds, Orthopedic Surgery, Georgetown University School of Medicine, "Metastatic and Recurrent Osteosarcoma", Washington DC, Oct 2012
5. Orthopedic Rounds, George Washington University School of Medicine, "Palliative Treatment for Metastatic Osteosarcoma", Washington DC, Oct 2011
6. Musculoskeletal Tumor Review, George Washington University School of Medicine, Washington DC, Nov 2010
7. Orthopedic Rounds, Children's National Medical Center, "Malignant Bone Tumors in Children", 2009
8. Orthopedic Rounds, Children's National Medical Center, "Benign Bone Tumors in Children", 2008 and 2009
9. Orthopedic Rounds, Children's National Medical Center, "Cryosurgery of Bone Lesions", Feb 2008
10. WHC 9th Annual CME Multidisciplinary Conference: New Era of Medicine, Meeting the Challenge, "Innovations in Orthopedic Oncology", Mexico, Jan 2008
11. Multidisciplinary Management of Cancers: A Case Based Approach. Chair and lecturer, Sarcoma/Melanoma Section, Washington DC, Nov 2007.
12. Orthopedic Grand Rounds, Howard University/Washington VA Hospital, "Review of Orthopedic Oncology", October 2007.
13. Orthopedic Rounds, Children's National Medical Center, "Cryosurgery of Bone Lesions", June 2007.
14. Orthopedic Grand Rounds, Howard University/Washington VA Hospital, "Thermal Treatment of Bone Lesions", September 2006
15. Orthopedic Grand Rounds, Children's National Medical Center, "Pediatric Endoprosthetic Reconstruction", Jun 2005
16. Combined Washington Annual Tumor Review Course, Washington Cancer Institute, Nov 2003
17. Combined Washington Annual Tumor Review Course, Washington Cancer Institute, Nov 2002
18. Orthopedic Oncology OITE and Board Review, Department of Orthopedics, Howard University School of Medicine, Washington DC. November 2000
19. Orthopedic Oncology OITE and Board Review, Department of Orthopedics, Howard University School of Medicine, Washington DC. November 1999
20. Core Needle Biopsy: Indications, Technique and Clinical Results. MSTS Annual Specialty Day, American Academy of Orthopedic Surgeons, Feb 1999. Anaheim, CA
21. Overview of Orthopedic Oncology, Washington Cancer Institute Nursing Lecture Series, Washington DC. 1999
22. Orthopedic Oncology OITE and Board Review, Department of Orthopedics, George Washington University School of Medicine, Washington DC. November 1999

23. Limb Sparing Techniques For Soft Tissue Sarcomas. Organ and Limb Sparing Cancer Treatment: Enhancing Function and Quality of Life, Washington Cancer Institute CME Symposium, Washington DC. April 1998
24. Orthopedic Grand Rounds: Diagnosis and Treatment of Extremity Sarcomas. Walter Reed Army Medical Center, May 1998
25. Orthopedic Grand Rounds: Current Concepts in Orthopedic Oncology. Department of Orthopedics, Franklin Square Memorial Hospital, Baltimore, MD April 1998
26. Update on Extremity Sarcomas. Washington Hospital Center's 4th Annual CME Meeting, Snowmass, CO March 1998
27. Clinical Pathways for Bone Sarcomas. Washington Hospital Center Symposium: Clinical Pathways for Multidisciplinary Cancer Care, Washington DC April 1997

Teaching Activities

- 2008 – Present: Director, Orthopedic Oncology Fellowship program at Washington Hospital Center. Washington Hospital Center. Washington, DC.
- 2006 – Present: Activity Director, Orthopedic Oncology Preoperative Conference, weekly, Washington Cancer Institute, accredited for 1 hour of level 1 CME credit
- 2006 – Present: Activity Director, Sarcoma Conference, bimonthly, Washington Cancer Institute, accredited for 1.5 hours of level 1 CME credit
- 2006 – Present: Bimonthly Orthopedic Oncology/Pathology conference, Georgetown University Medical Center
- 2000 – 2008: Clinical instructor, George Washington University Orthopedic Elective Rotation at Washington Hospital Center. 3rd and 4th year medical students.
- 1997-2007: Instructor and Fellowship Coordinator, Orthopedic Oncology Fellowship program at Washington Hospital Center. Two-year program. Washington Hospital Center. Washington, DC.
- 1997-Present: Rotating Residency Program. Howard University Hospital. Washington, DC.
- 1996-2006: Combined Musculoskeletal and Radiology Preoperative Conference. Washington Cancer Institute, Washington Hospital Center. D.C.

- 1996-present: Combined Pediatric Oncology Group Conference, Pediatric Oncology Branch and Surgery Branch; NIH, Washington, DC.
- 1996-2006: Bi-Monthly Multidisciplinary Sarcoma Conference. Washington Hospital Center, Washington, D.C.
- 1995-1998 Orthopedic Grand Rounds. Monthly lecture for WHC/GW residents. Washington Hospital Center, Washington, D.C.

"Principals of Orthopaedic Oncology"

Malawer MM, **Henshaw** RM, Shmookler B
Chapter 16-I, in Principles of Orthopaedic Practice
Dee R, Hurst LC, Gruber MA, Kottmeier SA (Eds)
2nd ed., New York, McGraw-Hill, January 1997.

"Neoplasms Affecting the Upper Extremity"

Henshaw RM and Malawer MM
Chapter 16-II, in Principles of Orthopaedic Practice
Dee R, Hurst LC, Gruber MA, Kottmeier SA (Eds)
2nd ed., New York, McGraw-Hill, January 1997.

"Neoplasms Affecting the Lower Extremity"

Henshaw RM and Malawer MM
Chapter 16-III, in Principles of Orthopaedic Practice
Dee R, Hurst LC, Gruber MA, Kottmeier SA (Eds)
2nd ed., New York, McGraw-Hill, January 1997.

SKELETAL RECONSTRUCTION WITH NON-CUSTOM MODULAR
ENDOPROSTHESES. RESULTS OF THE FIRST 96 CONSECUTIVE MSRS
PROSTHETIC REPLACEMENTS.

Henshaw, RM
1st National Conference on the Use of the Modular Replacement System, November
1996
Chicago, IL

DESIGN CONSIDERATIONS TO MAXIMIZE IMPLANT SURVIVAL

Henshaw, RM

1st National Conference on the Use of the Modular Replacement System, November 1996
Chicago, IL

Is Radiation Therapy Necessary For High Grade Soft Tissue Sarcomas? Results of a Single Institution Prospective Neoadjuvant Chemotherapy Protocol for Unresectable STS of the Extremities.

Henshaw RM, Priebat D, Perry D, Shmookler B, Malawer MM
2nd Annual Meeting, Connective Tissue Oncology Society, October 1996
Toronto, Canada

Cytogenetic Abnormalities of Malignant and Benign Extremity Tumors: An Analysis of 78 Consecutive Cases.

Henshaw RM, Jones VV, Shmookler B, Malawer MM
2nd Annual Meeting, Connective Tissue Oncology Society, October 1996
Toronto, Canada

Delayed Reduction of Traumatic Knee Dislocation: A Case Report and Literature Review.

Henshaw RM, Shapiro M, and Oppenheim WO
Clinical Orthopaedics and Related Research Vol 330 Sept 1996, p 152-6.

SKELETAL RECONSTRUCTION WITH NON-CUSTOM MODULAR ENDOPROSTHESES. RESULTS OF THE FIRST 96 CONSECUTIVE MSRS PROSTHETIC REPLACEMENTS.

Henshaw, RM, Jones, VV, and Malawer, MM
9th Annual Meeting, International Society for Technology in Arthroplasty, August 1996
Amsterdam, The Netherlands

COMPARISON OF BASILAR AND TROCHANTERIC FEMORAL OSTEOTOMIES FOR SEVERE CHRONIC SLIPPED CAPITAL FEMORAL EPIPHYSEAL DEFORMITIES. REVIEW OF 19 CASES WITH A LITERATURE META-ANALYSIS.

Henshaw RM and Oppenheim WO
1995 Annual Meeting, American Academy of Pediatrics, Section on Orthopaedics, November 1995.
San Francisco, CA

Fit of the Uncemented Femoral Component and the Use of Cement Influences the Strain Transfer to the Femoral Cortex.

Jasty M, O'Connor D, **Henshaw** RM, Harrigan T, and Harris WH
Journal of Orthopaedic Research 12(5) Sept 1994, p 648-56.

High Assembly Strains and Femoral Fractures Produced During Insertion of Uncemented Femoral Components. A Cadaver Study.
Jasty M, **Henshaw** RM, O'Connor D, and Harris WH
The Journal of Arthroplasty Vol 8(5) Oct 1993, p 479-87.

STRAIN ALTERATIONS IN THE PROXIMAL FEMUR WITH AN UNCEMENTED FEMORAL PROSTHESIS, EMPHASIZING THE EFFECT OF COMPONENT FIT. AN EXPERIMENTAL IN-VIVO STRAIN STUDY.

Jasty M, **Henshaw** RM, O'Connor D, Harrigan T, Harris WH
34th Annual Meeting, Orthopaedic Research Society, Feb 1-4, 1988, p 335. Atlanta, GA

LONG DURATION MEASUREMENT OF IN-VIVO STRAIN DISTRIBUTION IN THE CANINE FEMUR.

Jasty M, Page AE, **Henshaw** RM, Bragdon C, Cargill C, Harris WH
34th Annual Meeting, Orthopaedic Research Society, Feb 1-4, 1988, p 236. Atlanta, GA

STRAIN ALTERATIONS PRODUCED BY CEMENTLESS TOTAL HIP ARTHROPLASTY IN THE CANINE. AN IN VIVO BIOMECHANICAL STUDY.

Page AE, Jasty M, O'Connor D, **Henshaw** RM, Harris WH
34th Annual Meeting, Orthopaedic Research Society, Vol 13, Feb 1-4, 1988, p 361. Atlanta, GA

STRESS ALTERATIONS ON THE PROXIMAL FEMUR WITH UNCEMENTED FEMORAL PROSTHESIS.

Jasty M, O'Connor D, Harrigan T, Page AE, **Henshaw** RM, Harris WH
55th Annual Meeting, American Academy of Orthopaedic Surgeons, Paper 161
Feb 1988, p 103.
Atlanta, GA

RESIDUAL STRAINS PRODUCED IN THE PROXIMAL FEMUR DURING RASPING AND DURING THE INSERTION OF UNCEMENTED METAL FEMORAL COMPONENTS.

Jasty M, Harrigan T, **Henshaw** RM, O'Connor D, Harris WH
33rd Annual Meeting, Orthopaedic Research Society, Jan 19-22, 1987, p 399. San Francisco, CA

STATISTICAL MEASUREMENTS IN CANCELLOUS BONE.

Harrigan T, Jasty M, **Henshaw** RM, Harris WH, Mann RW
32th Annual Meeting, Orthopaedic Research Society, Feb 17-20, 1986, p 333. New Orleans, LA

THREE DIMENSIONAL MAP OF TRABECULAR ARCHITECTURE OF THE
PROXIMAL AND DISTAL HUMAN FEMUR AND PROXIMAL HUMAN TIBIA.
Henshaw RM, Harrigan T, Jasty M, Mann RW, Harris WH
32th Annual Meeting, Orthopaedic Research Society, Feb 17-20, 1986, p 41.
New Orleans, LA
