

**CHRISTOPHER E. ATTINGER, MD**

**CURRICULUM VITAE**

**PERSONAL**

Office: Georgetown University Hospital  
3800 Reservoir Road, NW  
1 Bles Building  
Washington, DC 20007

**LICENSURE**

1985 - 1991	Massachusetts License Registration
1987 - 1991	New York State License Registration
1990 -	District of Columbia License Registration
1991 -	Maryland License Registration
1996 -	Commonwealth of Virginia License Registration

**CERTIFICATION**

1981	National Board of Medical Examiners
1992	American Board of Plastic Surgery
1998	Hyperbaric Medicine

**EDUCATION**

1975-1977	Bachelor of Science Washington & Lee University Lexington, Virginia
-----------	---

1977-1981            Doctor of Medicine  
Yale University  
New Haven, Connecticut

**PROFESSIONAL TRAINING**

1981-1982            Intern, General Surgery  
Brigham and Women's Hospital  
Boston, Massachusetts

1982-1983            Junior Resident, General Surgery  
Brigham and Women's Hospital  
Boston, Massachusetts

1983-1985            Senior Resident, General Surgery  
Brigham and Women's Hospital  
Boston, Massachusetts

1985-1986            Chief Resident, General Surgery  
PGY 6 position  
Brigham and Women's Hospital  
Boston, Massachusetts

1986-1987            Homan Vascular Fellow  
Brigham and Women's Hospital  
Boston, Massachusetts

1987-1989            Junior Resident, Plastic and Reconstructive Surgery  
New York University  
New York, New York

1988-1989            Executive Chief Resident, Plastic and Reconstructive Surgery  
New York University  
New York, New York

1989-1990            R. W. Beasley Hand Fellow  
Plastic and Reconstructive Surgery  
New York, New York

**ACADEMIC APPOINTMENTS**

1981-1987            Clinical Fellow in Surgery  
Harvard Medical School  
Boston, Massachusetts

1987-1990	Clinical Instructor in Plastic Surgery New York University New York, New York
1990-1995	Assistant Professor, Plastic Surgery Georgetown University Medical Center Washington, DC
1991-1995	Assistant Professor, Department of Orthopedic Surgery Georgetown University Medical Center Washington, DC
1992-1995	Assistant Professor, Department of Otolaryngology Georgetown University Medical Center Washington, DC
1992-	Assistant Professor of Surgery Uniformed Services University of the Health Sciences Bethesda, Maryland
1995-2000	Associate Professor, Division of Plastic Surgery Georgetown University Medical Center Washington, DC
1995-2000	Associate Professor, Department of Orthopedic Surgery Georgetown University Medical Center Washington, DC
1995-2000	Associate Professor, Department of Otolaryngology Georgetown University Medical Center Washington, DC
1998-	Director, Georgetown Wound Healing Center Georgetown University Medical Center Washington, DC
2000-	Professor, Division of Plastic Surgery Georgetown University Medical Center Washington, DC
2000-	Professor, Department of Orthopedic Surgery Georgetown University Medical Center Washington, DC
2000-2005	Professor, Department of Otolaryngology

Georgetown University Medical Center  
Washington, DC

2000 - 2002 Georgetown Faculty Senate

2002-2005 Member, Editorial Board, Annals of Plastic Surgery

### **HOSPITAL AFFILIATIONS**

1990- Georgetown University Hospital, Washington, DC

1990-1993 Veterans Administration Hospital, Washington, DC

1996-2009 Sibley Memorial Hospital, Washington, DC

1998-2000 Fairfax Hospital, Fairfax, VA

### **HOSPITAL APPOINTMENTS**

1999- Chief, Division of Wound Healing  
Georgetown University Hospital

### **HONORS AND AWARDS**

1976 Phi Beta Kappa  
Washington & Lee University  
Lexington, Virginia

1977 B.S. Summa cum Laude  
Washington & Lee University  
Lexington, Virginia

1981 Alpha Omega Alpha  
Yale Medical School  
New Haven, Connecticut

1981 M.D. cum Laude  
Yale Medical School  
New Haven, Connecticut

1981 Frank Parker Prize  
Yale Medical School

New Haven, Connecticut

- 1995, 1998 Teacher of the Year  
National Capital Training Program in Plastic Surgery  
Washington, DC
- 1994 - Listed in 'Best Doctors' in the Washingtonian Magazine
- 1997 Clinician of the year  
Northern Virginia Podiatric Residency Program
- 1998 - Listed in 'The Best Doctors in America'
- 1998 Pennsylvania Podiatric Medical Association  
Special Recognition Award  
Camp Hill, Pennsylvania
- 1999 Listed as 'The Best Plastic Surgeon for Reconstruction' in The Best and Plastic Reconstructive Surgeons published by Media Perspectives
- 2001 - Listed in "America's Top Doctors"
- 2004 "Teacher of the Year"  
Department of Surgery, Georgetown University
- 2005 Outstanding Faculty Teacher  
Chief Residents, Department of Plastic Surgery
- 2005 Visiting Professor, Plastic Surgery  
Educational Foundation
- 2006 "President's Award," American Society of Plastic Surgeons
- 2007 Edward James Olmos Award for Advocacy in Amputation Prevention  
Honoree
- 2011 Joseph E. Murray Lectureship  
Harvard University, Boston, MA
- 2011 John Parenti Lectureship  
Geisinger Medical Center, Danville, PA
- 2013 Roger Pecoraro Award, American Diabetes Association

**MEMBERSHIP IN PROFESSIONAL SOCIETIES**

1983-1987	Massachusetts Medical Society
1991-	American Diabetes Association
1992-	American Society of Plastic and Reconstructive Surgeons
1993-	National Capital Society of Plastic Surgeons
1993-	American Society of Reconstructive Microsurgery
1994-	Fellow American College of Surgeons
1994-96	Surgical Infection Society
1996-	American Orthopedic Foot and Ankle Society (Honorary Membership)
1996-	Chesapeake Vascular Society
1996-	Northeastern Society of Plastic Surgeons
1997-	Wound Healing Society
2000-	American Association of Plastic Surgery
2004-	Amputee Coalition of America (ACA)
2012-	World Society for Reconstructive Microsurgery

**MILITARY SERVICE**

1966-1969	U.S. Army Infantry
1966	Basic and Advanced Infantry Training Fort Ord, California
1967	Infantry Officer Candidate School Fort Benning, Georgia
1967	Airborne School, Fort Benning, Georgia
1967	Jumpmaster School, Fort Bragg, North Carolina
1968	Ranger School, Fort Benning, Georgia

1968 Jungle Warfare School, Panama

### **TOUR OF DUTY**

1968 2nd Lieutenant, Infantry  
82nd Airborne Division  
Fort Bragg, North Carolina

1968 2nd Lieutenant, Infantry  
5th Infantry Division  
Republic of Vietnam

1969 1st Lieutenant, Infantry  
101st Airborne Division  
Republic of Vietnam

### **DECORATIONS**

1969 Honorable Discharge  
Purple Heart, 1st OLC  
Bronze Star with "V", 5th OLC  
Army Commendation medal with "V"  
Vietnamese Cross of Gallantry with Bronze Star  
Combat Infantryman Badge  
Parachutist Badge  
Ranger Tab

### **OTHER CERTIFICATES**

1971 Certificate of Proficiency in German  
Level: Mittelstufe II  
Goethe Institution  
Berlin, Germany

1973 Certificate of Proficiency in Spanish  
Level: Intermediate  
University of Salamanca, Spain

1975 Graubunden Ski Lehrer Patent  
Pontresina, Switzerland

1975 National Ski Instructor Certificate  
Pontresina, Switzerland

**VISITING PROFESSOR:**

1. Visiting Professor, Grand Rounds, Division of General Surgery, George Washington University School of Medicine, Washington, DC, January, 1991
2. Visiting Professor, Medical Grand Rounds, Sibley Hospital, Washington, DC, March 1991
3. Visiting Professor, Grand Rounds, National Naval Medical Center, Bethesda, MD, September, 1991
4. Visiting Professor, Grand Rounds, Peninsula General Hospital, Salisbury, Maryland, February, 1992
5. Visiting Professor, Grand Rounds, Greater Laurel Beltsville Hospital, Laurel, Maryland, February, 1992
6. Visiting Professor, Medical-Surgical Grand Rounds Conference, Montgomery General Hospital, Bethesda, MD, June, 1993
7. Visiting Professor, Grand Rounds, Cumberland Hospital, Cumberland, MD, February 1994
8. Visiting Professor, Grand Rounds, Northern Virginia Doctor's Hospital, Arlington, VA, May 1994
9. Visiting Professor, Grand Rounds, National Rehabilitation Hospital, Washington, DC, July 1994
10. Visiting Professor, Grand Rounds, Laurel Regional Hospital, Laurel, MD, January 1995
11. Visiting Professor, Grand Rounds, Doctor's Hospital, Lanham, MD, March 1995
12. Visiting Professor, Grand Rounds, Holy Cross Hospital, Silver Spring, MD, December 1996
13. Visiting Professor, Department of Plastic Surgery, INOVA Fairfax Hospital, Falls Church, VA, March 1997
14. Visiting Professor, NRH Grand Rounds, National Rehabilitation Hospital, Washington DC, September 1998
15. Visiting Professor, Division of Plastic Surgery, University of Rochester, New York, February 1999
16. Visiting Professor, Division of Plastic Surgery, NYU Medical Center, New York, New

York, May 1999

17. Visiting Professor, Grand Rounds, Suburban Hospital, Bethesda, MD, February, 2000
18. Visiting Professor, Grand Rounds, Washington Adventist Hospital, Lanham, MD, February, 2000
19. Visiting Professor, Grand Rounds, New Britain General Hospital, Danbury, Connecticut, April 2000
20. Visiting Professor, Division Of Plastic Surgery, University of Massachusetts, Worcester, Massachusetts, August 2000
21. Visiting Professor, Grand Rounds, Alaska Native Medical Center, Anchorage, Alaska, May 2001
22. Visiting Professor, Department of Plastic Surgery, INOVA Fairfax Hospital, Fairfax, VA, May 2001
23. Visiting Professor, Department of Medicine, George Washington University Hospital, Washington, DC, June 2001
24. Visiting Professor, Department of Orthopedics, INOVA Fairfax Hospital, Fairfax, VA, January 2002
25. Visiting Professor, Grand Rounds, Suburban Hospital, Washington DC, May 2002
26. Visiting Professor, Grand Rounds, Arlington Hospital, Arlington, VA, February 2003
27. Visiting Professor, Department Of Plastic Surgery, University of Texas, Southwestern, Dallas, Texas, August 2003
28. Visiting Professor, Division Of Plastic Surgery, Akron City Hospital, Ohio, December 2004
29. PSEF Visiting Professor, University of California Irvine, Irvine, California, April 2005
30. PSEF Visiting Professor, University of Southern California, Los Angeles, California, April 2005
31. PSEF Visiting Professor, Loma Linda University, Loma Linda, California, April 2005
32. PSEF Visiting Professor, McGill University, Montreal, Canada, June 2005
33. PSEF Visiting Professor, Virginia Commonwealth University, Richmond, Virginia, June 2005

34. PSEF Visiting Professor, University of Wisconsin, Madison, Wisconsin, July 2005
35. Visiting Professor, Dr. William M. Scholl School of Podiatric Medicine Rosalind Franklin University, North Chicago, Illinois, September 2005
36. PSEF Visiting Professor, University of California San Francisco, San Francisco, California, October 2005
37. PSEF Visiting Professor, University of British Columbia, Vancouver, Canada, November 2005
38. PSEF Visiting Professor, Johns Hopkins University, Baltimore, Maryland, February 2006
39. Visiting Professor, Grand Rounds, Potomac Hospital, Woodbridge, VA, June 2006
40. Visiting Professor, Grand Rounds, Suburban Hospital, “Current Concepts in Diabetic Limb Salvage,” Bethesda, MD, September 2006
41. Visiting Professor, Grand Rounds, Holy Cross Hospital, Silver Spring, MD, October 2006
42. Visiting Professor, Grand Rounds, INOVA Fairfax Hospital, Falls Church, VA, January 2007
43. Visiting Professor, Duke University, Durham, North Carolina, April 2007
44. Visiting Professor, INOVA Loudoun Hospital, Leesburg, VA, September 2009
45. Visiting Professor, Wakeforest University, Winston-Salem, North Carolina, November 2009
46. Visiting Professor, Grand Rounds, National Rehabilitation Hospital, February 2011
47. Visiting Professor, Walter Reed National Military Medical Center, Bethesda, MD, October 2011
48. Visiting Professor, Grand Rounds, NYU Department of Surgery, New York, New York, January 2010
49. Visiting Professor, Grand Rounds, University of Nairobi, Nairobi, January 2011
50. Visiting Professor, University of Vancouver, Vancouver, Canada, February 2013
51. Visiting Professor, University of Cincinnati: Department of General Surgery and

Podiatric Surgery, Cincinnati, Ohio, May 2013

52. Visiting Professor, Mayo Clinic, Rochester, Minnesota, December 2013

### **ABSTRACT PRESENTATIONS**

1. Abstract Presentation (Poster), 69<sup>th</sup> American Society of Reconstructive Microsurgery, "Filet of Foot Flaps," Seattle, Washington, September 1990
2. Abstract Presentation, 10<sup>th</sup> Northeastern Society of Plastic Surgeons, "The Mons Pubis Flap in Vulvar Reconstruction", Pittsburgh, Pennsylvania, September, 1993
3. Abstract Presentation, 72<sup>nd</sup> American Society of Plastic and Reconstructive Surgery, "The Mons Pubis Flap in Vulvar Reconstruction", New Orleans, Louisiana, September 1993
4. Abstract Presentation (Film), 57th American College of Surgeons, "Soft Tissue Salvage of the Diabetic Foot," San Francisco, California, October 1993
5. Abstract Presentation, American Academy of Otolaryngology - Head and Neck Surgery, "Maximizing Pectoralis Myocutaneous Flap Success Using the Delay Principle," San Diego, California, September 1994
6. Abstract Presentation, 11<sup>th</sup> Northeastern Society of Plastic Surgeons, "Salvage of the Infected Limb in the ESRD Diabetic Patient," Quebec, Canada, October 1994
7. Abstract Presentation, Co-joint Symposium on Contemporary Head and Neck Reconstruction, "Delay of the Pectoralis Myocutaneous Flap Using Endoscopy," Chicago, Illinois, July 1995
8. Abstract Presentation, First Combined Meeting of the American, British and European Foot and Ankle Societies, "Soft Tissue Coverage Techniques for Diabetic Foot Salvage," Dublin, Ireland, August 1995
9. Abstract Presentation, 12<sup>th</sup> Northeastern Society of Plastic Surgeons, "Limb Salvage in the Renal Insufficiency Diabetic Patient," Boston, Massachusetts, November 1995
10. Abstract Presentation, American Association of Plastic Surgeons, "Salvage of the Infected Limb in the Renal Failure Diabetic Population," Hilton Head, South Carolina, May 1996
11. Abstract Presentation, PSEF/ASRM Limb Salvage and Reconstruction Symposium, "Allograft/Vascularized Fibular Augmented Shoulder Arthrodesis Following Wide Resection of the Proximal Humerus," Seattle, Washington, May 1996
12. Abstract Presentation, PSEF/ASRM Limb Salvage and Reconstruction Symposium, "Complete Restoration of Function over the Dorsum of the Foot After Cancer Resection:

- Sensory Radial Forearm Flap with Vascularized Palmaris Tendon," Seattle, Washington, May 1996
13. Abstract Presentation, PSEF/ASRM Limb Salvage and Reconstruction Symposium, "Salvage of the Infected Limb in Renal Failure Patient Population," Seattle, Washington, May 1996
  14. Abstract Presentation, 12<sup>th</sup> American Orthopedic Foot and Ankle Society, "A Simple Solution for the Partially Gangrenous Achilles Tendon: Split Thickness Skin Graft," Hilton Head, South Carolina, June 1996
  15. Abstract Presentation, 12<sup>th</sup> American Orthopedic Foot and Ankle Society, "Salvage of the Infected Limb in the Renal Failure Diabetic Population," Hilton Head, South Carolina, June 1996
  16. Abstract Presentation, 12<sup>th</sup> American Orthopedic Foot and Ankle Society, "Use of Pedicled Foot Muscle Flaps to Repair Soft Tissue Defects in the Foot," Hilton Head, South Carolina, June 1996
  17. Abstract Presentation, SHNS Fourth International Conference on Head and Neck Cancer, "Complete Functional, Sensory and Aesthetic Reconstruction of the Lower Lip: Combined Radial Forearm and FAMM Flap", Toronto, Canada, August 1996
  18. Abstract Presentation, Chesapeake Vascular Society, "Renal Failure Diabetic Foot Salvage," Washington, DC, December 1996
  19. Abstract Presentation, 77<sup>th</sup> American Association of Plastic Surgeons, "Delineation of the Angiosome of the Foot and Ankle for Safer Flaps", Montreal, Canada, May, 1998
  20. Abstract Presentation, 14<sup>th</sup> American Orthopedic Foot and Ankle Society, "Angiosomes of the Foot and Ankle," Boston, Massachusetts, June 1998
  21. Abstract Presentation, Revision Plastic Surgery / State of the Art, "Delineation of Angiosomes of Foot and Ankle," Durham, North Carolina, June 1998
  22. Abstract Presentation, 2nd Combined Foot and Ankle Surgeon (COMFAS), "Delineation of Angiosomes on Foot and Ankle for Safer Incisions," Venice, Italy, September 1998
  23. Abstract Presentation, 26th Annual Vascular Surgery Seminar, USUHS, "Delineation of the Angiosomes and Arterial Anastomoses of the Foot and Ankle" Chevy Chase, Maryland, December 1998
  24. Abstract Presentation, 26th Annual Vascular Surgery Seminar, USUHS, "Wound Care Determines Outcome in Renal Failure Diabetics", Dr. Ivan Ducic and Dr. Christopher Attinger, Chevy Chase, Maryland, December 1998

25. Abstract Presentation, 14th Annual Meeting for the American Society for Reconstructive Microsurgery, “Is Salvage of the Threatened Limb in Renal Failure Diabetic Patients Justified?” Hawaii, January 1999
26. Abstract Presentation, 13<sup>th</sup> Eastern Vascular Society, “Long Term Outcome of Salvage Lower Extremity in Renal Failure Patients by a Combination of Adequate Revascularization, Wound Care and Soft Tissue,” Vascular Surgery, Pittsburgh, Pennsylvania, April 1999
27. Abstract Presentation, 3rd International Diabetic Foot Conference, “The Use of Angiosomes in Diabetic Foot Salvage,” Noordwijk, Holland, May 1999
28. Abstract Presentation, 3rd International Diabetic Foot Conference, “Pedicled Muscle Flap: Their Use in Diabetes vs. Trauma,” Noordwijk, Holland, May 1999
29. Abstract Presentation, 12th Congress of IPRAS, “Is There Still a Role for Local Muscle Flaps in Foot and Ankle Reconstruction,” San Francisco, California, June 1999
30. Abstract Presentation, 12th Congress of IPRAS, “Wound Care Rather Than Revascularization Determines Outcome in the Threatened Limb of the Renal Failure Diabetic Patients,” San Francisco, California, July 1999
31. Abstract Presentation, 15<sup>th</sup> American Orthopedic Foot and Ankle Society, “The Role of Wound Care vs. Revascularization in Limb Salvage of the Renal Failure Diabetic Patients,” Puerto Rico, July 1999
32. Abstract Presentation, Wound Healing Society Educational Symposium, “Wound Care Rather Than Revascularization Determines the Limb Salvage in Renal Failure Diabetic Patients,” Toronto, Canada, June 2000
33. Abstract Presentation, Wound Healing Society Educational Symposium, “Therapeutic Options and Outcomes in the Salvage of the Exposed Achilles Tendon,” Toronto, Canada, June 2000
34. Abstract Presentation, Wound Healing Society Educational Symposium, “The Reconstructive Role of the Local Muscle Flaps in Salvage of the Threatened Foot in Diabetic vs. Non-Diabetic Patients,” Toronto, Canada, June 2000
35. Abstract Presentation, 16<sup>th</sup> American Orthopedic Foot and Ankle Society, “Therapeutic Options and Outcomes in the Salvage of the Exposed Achilles Tendon in Diabetics vs. Non-diabetics,” Vail, Colorado, July 2000
36. Abstract Presentation, 17<sup>th</sup> Northeastern Society of Plastic Surgery, “Implications of Direct Versus Indirect Revascularization of the Ulcerated Ischemic Angiosome In Limb Salvage,” Montreal, Canada, September 2000
37. Abstract Presentation, 2000 ASPS/PSEF/ASMS Annual Scientific Meeting, “Soft Tissue

Coverage Options and Outcomes for Exposed Calcaneus Osteomyelitis in Diabetics vs. Non-Diabetics,” Los Angeles, California, October 2000

38. Abstract Presentation, 16<sup>th</sup> American Society for Reconstructive Microsurgery Annual Meeting, “Implications of Direct Versus Indirect Revascularization of the Ulcerated Ischemic Angiosome in Limb Salvage,” Coronado, California, January 2001
39. Abstract Presentation, 16<sup>th</sup> American Society for Reconstructive Microsurgery Annual Meeting, “Comparing Outcomes and Evaluating the Effect of Diabetes in Skin Graft vs. Flap Coverage for the Salvage of the Exposed Achilles Tendon,” Coronado, California, January 2001
40. Abstract Presentation, 65<sup>th</sup> ACS Annual Scientific Meeting “The Importance of Identifying and Treating a Coexisting Pro-coagulant State in Patients With Recalcitrant Inflammatory Skin Ulcers and an Underlying Autoimmune Disease,” New Orleans, October 2001
41. Abstract presentation, 17<sup>th</sup> American Society for Reconstructive Microsurgery Annual Meeting, “Assessing the effectiveness of a reconstructive algorithm for dorsal foot wounds,” Cancun, Mexico, January 2002
42. Abstract presentation, 19<sup>th</sup> American Orthopedic Foot and Ankle Society, “Assessing the Effectiveness of a Soft Tissue Reconstructive Algorithm for Dorsal Foot Wounds,” Traverse City, Michigan, July 2002
43. Abstract presentation, 19<sup>th</sup> Northeastern Society of Plastic Surgery, “Soft Tissue Management around the Ilizarov,” Bermuda, October, 2002
44. Abstract presentation, 18<sup>h</sup> American Society for Reconstructive Microsurgery, “Soft Tissue Management around the Ilizarov,” Kauai, Hawaii, January 2003
45. Abstract presentation, 18<sup>h</sup> American Society for Reconstructive Microsurgery, “A Ten Year Experience in Foot and Ankle Reconstruction: Pedicled Muscle Free Flaps vs. Microsurgical Free Flaps.” Kauai, Hawaii, January 2003
46. Abstract presentation, 18<sup>h</sup> American Society for Reconstructive Microsurgery, “When Cookbook Amputations Do Not Fill The Bill: Evaluating The Effectiveness Of Applying Modern Wound Healing Principles And Plastic Surgery Soft Tissue Techniques To Trans-Foot Amputations In Limb Salvage.” Kauai, Hawaii, January 2003
47. Abstract presentation, 4<sup>th</sup> International Symposium on the Diabetic Foot, “Does Diabetes Preclude the Use of Sophisticated Foot and Ankle Reconstructions (Pedicled Muscle Free Flaps vs. Microsurgical Free Flaps) For Limb Salvage.” Noordwijkerhout, Holland, May 2003
48. Abstract presentation, 4<sup>th</sup> International Symposium on the Diabetic Foot, “When Cookbook

- Amputations Do Not Fill The Bill: Evaluating The Effectiveness Of Applying Modern Wound Healing Principles And Plastic Surgery Soft Tissue Techniques To Trans-Foot Amputations In Limb Salvage.” Noordwijkerhout, Holland, May 2003
49. Abstract presentation, 11<sup>th</sup> Congress of the World Society for Reconstructive Microsurgery, “Does Diabetes Preclude the Use of Sophisticated Foot and Ankle Reconstructions (Pedicled Muscle Free Flaps vs. Microsurgical Free Flaps) For Limb Salvage.” Heidelberg, Germany, June 2003
  50. Abstract presentation, 11<sup>th</sup> Congress Of The World Society For Reconstructive Microsurgery, “When Cookbook Amputations Do Not Fill The Bill: Evaluating The Effectiveness Of Applying Modern Wound Healing Principles And Plastic Surgery Soft Tissue Techniques To Trans-Foot Amputations In Limb Salvage.” Heidelberg, Germany, June 2003
  51. Abstract presentation, 19<sup>th</sup> American Orthopedic Foot and Ankle Society, “Soft Tissue Management around the Ilizarov,” Hilton Head, South Carolina, June 2003
  52. Abstract presentation, 19<sup>th</sup> American Orthopedic Foot and Ankle Society, “Does Diabetes Preclude the Use of Sophisticated Foot and Ankle Reconstructions (Pedicled Muscle Free Flaps vs. Microsurgical Free Flaps) For Limb Salvage.” Hilton Head, South Carolina, June 2003
  53. Abstract presentation, 19<sup>th</sup> American Orthopedic Foot and Ankle Society, “When Cookbook Amputations Do Not Fill The Bill: Evaluating The Effectiveness Of Applying Modern Wound Healing Principles And Plastic Surgery Soft Tissue Techniques To Trans-Foot Amputations In Limb Salvage.” Hilton Head, South Carolina, June 2003
  54. Abstract Presentation, 19<sup>h</sup> American Society for Reconstructive Microsurgery, “The Effect of a Multidisciplinary Approach on the Primary Amputation Rate of Diabetics.” Palm Springs, California, January 2004
  55. Abstract Presentation, American Society for Reconstructive Microsurgery: 2006 Annual Meeting, “The Use of External Fixation for Soft Tissue Reconstruction of Foot and Ankle Wounds in the Non-Compliant Patient” Tucson, Arizona, January 2006
  56. Shanmugam, V.K., Steen, V.D., **Attinger, C.E.**, Mavromatis, B., Kessler, C., Cupps, T.R., Abstract Presentation (poster), American College of Rheumatology: 2006 Annual Meeting, “Clinical and Laboratory Features of Lower Extremity Ulcers in Connective Tissue Diseases” Washington, DC, November 2006
  57. Shanmugam, V.K., Steen, V.D., **Attinger, C.E.**, Mavromatis, B., Kessler, C., Cupps, T.R., Abstract Presentation (poster), American College of Rheumatology: 2006 Annual Meeting, “Isolated Atrophie Blanche: A Case Series Describing Clinical Features” Washington, DC, November 2006

58. Couch, K., Shanmugam, V.K., Steen, V.D., **Attinger, C.E.**, Kessler, C., Cupps, T.R., Abstract Presentation, SAWC 2008 Annual Meeting, "Clinical and Laboratory Features of Lower Extremity Ulcers in Connective Tissue Diseases and Livedoid Vasculopathy" San Diego, CA, April 2008
59. Iorio, M.L., Goldstein, J.A, Adams, M., Steinburg, J.S., **Attinger, C.E.** "The use of Integra for Diabetic Limb Salvage." American Society of Plastic Surgery, Seattle, WA, Oct 24-29, 2009.
60. Siddiqui, F.N, Djunaldi, A., Steinberg, J.S., **Attinger, C.E.**, Cornell, R.C. "A 4-Year Retrospective Study of Patients Undergoing Below-Knee Amputation." American College of Foot and Ankle Surgeons 69<sup>th</sup> Annual Scientific Meeting. Ft. Lauderdale, FL, March 2011
61. Goldstein J.A., Masden, D., Endara, M., Steinberg, J., **Attinger, C.E.** Negative Pressure Wound Therapy for at risk Surgical Closures: a prospective randomized controlled trial. 56th Annual Meeting of the Plastic Surgery Research Council. Louisville, Ky. April 27-30 2011

#### INVITED LECTURER AND COURSES

1. Invited Lecturer, Hershey East, "Plastic Surgery Techniques: Optimal Diabetic Foot Salvage," "Optimal Diabetic Foot Salvage in the Face of Severe Ulceration," Hershey, Pennsylvania, November 1991
2. Invited Lecturer, Hershey West, "Acute Soft Tissue Coverage of the Traumatized Foot," "Wound Healing Principles," "Plastic Surgery Techniques: Plastic Surgery Technique Applied to Diabetic Foot Salvage," Palm Springs, California, December 1991
5. Invited Lecturer, Eastern Virginia Medical School, "Management of Diabetic Foot," Norfolk, Virginia, April 1992
6. Invited Lecturer, Virginia Podiatric Medical Association, "Soft Tissue Reconstruction of the Diabetic Foot," Virginia Beach, Virginia, June 1992
7. Invited Lecturer, Eighth Annual No-Nonsense Seminar, "Plastic Surgery Techniques and Flaps in Foot Surgery," Westlake, Ohio, March 1993
8. Invited Lecturer, Orthopedic Foot Rounds, Union Memorial Hospital, "Soft Tissue Reconstruction in the Diabetic Foot," Baltimore, Maryland, March 1993
12. Invited Lecturer, Hershey Board Review Course, "Plastic Surgery and the Foot," Hershey, Pennsylvania, April 1993
14. Invited Lecturer, Pennsylvania Podiatric Medical Association, "Plastic Surgery Techniques Workshop," Hershey, Pennsylvania, November 1993

15. Invited Lecturer, Hershey Board Review Course, "Plastic Surgery and the Foot," Hershey, PA, April 1994
16. Invited Lecturer, No Nonsense Seminar IX, "Soft Tissue Coverage in Treating the Diabetic Ulcer," Westlake, Ohio, April 1994
20. Invited Lecturer, The William L. Goldfarb Clinical Conference At Hershey, coordinator for "Hands-On Workshop in Plastic Surgery," (basic and advanced), Hershey, Pennsylvania, November 1994
21. Invited Lecturer, Winter Surgical Seminar, American College of Foot and Ankle Surgeons, "Management of Chronic Non-Healing Wounds About the Heel," "Peripheral Nerve surgery and Repair," Phoenix, Arizona, December 1994
23. Invited Lecturer, The Annual No-Nonsense Seminar X, "Soft Tissue Anatomy of the Foot and How It Can Be Used in Reconstruction," West Lake, Ohio, March 1995.
25. Invited Lecturer, Plastic Surgery Workshop, "Plastic Surgery Techniques in the Foot and Ankle," Newport, Rhode Island, May 1995
26. Invited Lecturer, Plastic Surgery Workshop, "Flap Selection in Head and Neck Reconstruction," "Flap Selection in Limb Reconstruction," Norfolk, Virginia, July 1995
29. Invited Lecturer, World Congress for Foot and Ankle Surgery, American College of Foot and Ankle Surgeons, "Soft Tissue Infection and Major Tissue Defects in Diabetics: Plastic Surgical Approach," Philadelphia, Pennsylvania, October 1995
30. Invited Lecturer, The Hershey Clinical Conference, "Basic Techniques in Plastic Surgery," "Advanced Techniques in Plastic Surgery: Local Flaps," Hershey, Pennsylvania, October 1995
32. Invited Lecturer, Meeting of the Orthopedic Clinical Society, "Soft Tissue Techniques in Foot Trauma," "Diabetic Foot Salvage Techniques," Beaver Creek, Colorado, January 1996
34. Invited Lecturer, Vermont Podiatric Association, "Plastic Surgical Technique Applied to the Foot and Ankle," Sugarbush, Vermont, March 1996
38. Invited Lecturer, Osler Institute: Plastic Surgery Review Course, "Radiation Injuries," "Pressure Sores," Philadelphia, Pennsylvania, April 1996
40. Invited Lecturer, 2nd Annual Symposium: Current Concepts in a Multidisciplinary Wound Program, "Soft Tissue Coverage of Difficult Lower Extremity Wounds," Chicago, Illinois, April 1996
41. Invited Lecturer, PSEF Board Review Course, "Head and Neck Anatomy," Chicago, Illinois, October 1996

42. Invited Lecturer, Annual Meeting, ASPRS, "Reconstructive Surgery with Diabetic Extremities," Dallas, Texas, November 1996
43. Invited Lecturer, William L. Goldfarb Association, 26th Annual Hershey Clinical Conference, "Plastic Surgery Workshop," Hershey, Pennsylvania, November 1996
44. Invited Lecturer, Youngstown Osteopathic Hospital Foot and Ankle Center, Workshop "Basic and Advanced Plastic Surgery for Podiatric Surgery," Youngstown, Ohio, December 1996
45. Invited Lecturer, Orthopedic Clinical Society, "Use and Outcome of Local Foot Muscle Flaps for Salvage of the Injured Foot," "Salvage of the Gangrenous Achilles Tendon using Skin Grafts," Telluride, Colorado, January 1997
47. Invited Lecturer, Perspectives and Advances in Plastic Surgery Symposium, "Pedicled vs. Free Flaps in Lower Extremity Preservation," "What's New in Diabetic Foot Salvage," Snowbird, Utah, February 1997
49. Invited Lecturer, American College of Foot and Ankle Surgeons, "Basic and Advanced Plastic Surgery Techniques in Foot and Ankle Surgery," Palm Springs, California, February 1997
50. Invited Lecturer, 12th Annual No Nonsense Seminar, "Skin Graft over the Achilles Tendon," "Use of Local Muscle Flaps for Foot and Ankle Soft Tissue Defects," "Salvage of the Diabetic Renal Failure Foot," Westlake, Ohio, March 1997
53. Invited Lecturer, Osler Institute, Plastic Surgery Review Course, "Head and Neck Anatomy," "Radiation Injuries," "Pressure Sores," "Foot Reconstruction," "Lower Extremity Salvage Techniques," Cherry Hill, New Jersey, April 1997
59. Invited Lecturer, Pennsylvania College of Podiatric Medicine Eleventh Annual Foot and Ankle Institute Seminar, "Plastic Reconstruction of the Diabetic Foot," Philadelphia, Pennsylvania, September 1997
64. Invited Lecturer, PSEF Core Curriculum Course in Plastic Surgery, "Head and Neck Anatomy," Chicago, Illinois, October 1997
65. Invited Lecturer, 6th Annual Wound Care Symposium, on "Debridement of Chronic Wounds" (with Lab), Alexandria, Virginia, October 1997
66. Invited Lecturer, The William L. Goldfarb Foundation for Education and Research of the Lower Extremity, "Vascular Anatomy of the Foot," "Vascular Flaps for the Management of Complex Non-Healing Wounds" (and Workshop), Hershey, Pennsylvania, November, 1997
68. Invited Lecturer, Youngstown Osteopathic Hospital Foot and Ankle Center Seminar, "Basic

- & Advanced Plastic Surgery for the Podiatric Surgeon,” Youngstown, Ohio, November 1997
69. Invited Lecturer, The Western Pennsylvania Hospital Division of Podiatric Medical Surgical Services Residency Training Programs, “The Ischemic Diabetic Foot,” “The Use of Muscle Flaps in the Infected Foot,” Pittsburgh, Pennsylvania, December 1997
  71. Invited Lecturer, American Society for Reconstructive Microsurgery, 13th Annual Meeting, “Local Pedicle Flaps for Foot and Ankle Reconstruction,” Scottsdale, Arizona, January 1998
  72. Invited Lecturer, Ontario Society of Chiropractors 12th Annual Conference, “Using the Vascular Anatomy of the Foot to Guide Surgery of the Foot” (and Workshop), “Debridement of Wounds - The Key to Healing,” “Soft Tissue Reconstruction of the Diabetic Foot,” Toronto, Canada, February 1998
  75. Invited Speaker, Yale Plastic Surgery & Podiatric Conference, “Use of Angiosomes in Foot and Ankle Surgery,” New Haven, Connecticut, April 1998
  76. Invited Lecturer, Virginia Podiatric Medical Association, “Principles of Debridement for Foot Ulcers and Gangrene,” “Angiosomes of Foot & Ankle,” “Soft Tissue Reconstruction of the Diabetic Foot,” Virginia Beach, Virginia, June 1998
  79. Invited Lecturer, 40th Annual World Congress International College of Angiology, “Soft Tissue Reconstruction of Foot and Ankle Using the Angiosome Principle,” Lisbon, Portugal, June 1998
  80. Invited Course, ASPRS/PSEF/ASMS 67th Annual Scientific Meeting Instructional Council, “Wound Healing Concepts and Application of Practical Principles,” “Reconstructive Surgery in Diabetic Extremity,” Boston, Massachusetts, October 1998
  82. Invited Lecturer, Wound Management and Hyperbaric Therapy: A Comprehensive Approach, “Diabetic Foot Ulcers, Evaluation and Management,” University of Pennsylvania, Philadelphia, Pennsylvania, October 1998
  84. Invited Lecturer, Course: Diabetic Foot Ulcers, Evaluations and Management. “Wound Management & Hyperbaric Therapy: A Comprehensive Approach,” Newport Beach, California, November 1998
  85. Visiting Professor, Division of Plastic Surgery, University of Rochester, “Diabetic Foot Salvage - State of the Art,” “History of Flap Surgery,” “The Role of Debridement in Wound Care,” New York, February 1999
  88. Invited Lecturer, Annual Podiatric Medical Association’s Foundation for Podiatric Medicine Annual Clinical Conference, “Angiosomes of the Foot,” New York, New York, February 1999
  89. Invited Course, University Of Pennsylvania, “Wound Management and Hyperbaric Therapy:

- A Comprehensive Approach,” Philadelphia, Pennsylvania, March 1999
90. Invited Lecturer, Florida Hospital,” Salvage of the Diabetic Foot,” Clearwater, Florida, May 1999
  91. Visiting Professor, NYU Medical Center, “History of Flaps,” “What’s New in Diabetic Foot Salvage,” New York, New York, May 1999
  93. Invited Lecturer, IPRAS Congress, “Reconstructive Surgery in the Diabetic Extremity,” “Clinical Application of Angiosomes of the Foot and Ankle,” San Francisco, California, July 1999
  95. Invited Speaker, PSEF Core Curriculum Course, “Lower Extremity Reconstruction,” Chicago, Illinois, August 1999
  96. Invited Speaker, St. Mary’s Hospital, “Soft Tissue Reconstruction of the Ulcerated Diabetic Foot,” Newark, New Jersey, September, 1999
  99. Invited Speaker, Annual Meeting of NESPS, “What is New in Wound Healing (HBO, Growth Factors, New Skin Substitutes),” Burlington, Vermont, October, 1999
  100. Invited Speaker, The Diabetic Foot, “Angiosomes of the Foot and Ankle,” “Soft Tissue Technique for the Salvage of the Diabetic Patient,” Buffalo, New York, November 1999
  102. Invited Speaker, The 15<sup>th</sup> American Society for Reconstructive Microsurgery Annual Meeting, “Vascular Anatomy in Foot Reconstruction,” South Beach, Florida, January 2000
  103. Invited Speaker, The Interdisciplinary Approach to the Diabetic Foot Conference, “Soft Tissue Techniques in Diabetic Foot Salvage,” Temple University School of Podiatric Medicine, Philadelphia, Pennsylvania, January, 2000
  104. Invited Lecturer, Department of Surgery, “Wound Healing in the 21st Century,” St. Joseph Medical Center, Towson, Maryland, January, 2000
  105. Invited Lecturer, Georgia Podiatric Medical Association Meeting, “Vascular Anatomy of the Foot,” “Soft Tissue Reconstruction of the Diabetic Foot,” “Local Flaps for Diabetic Foot Reconstruction,” Atlanta, Georgia, February, 2000
  108. Invited Speaker, 38th Annual Northwest Society of Plastic Surgeons Meeting, “Use of ADM for Treatment of Calcaneal Osteomyelitis of Exposed Calcaneal Fracture,” “The Use of Hand Held Doppler to Accurately Evaluate the Blood Flow to the Foot and Ankle,” Whistler, British Columbia, February, 2000
  110. Invited Speaker, Sechrist Comprehensive Wound Centers, “What is New in Wound Healing in the New Millennium,” “Angiosomes, Arterial-Arterial Anastomosis and Use of the Doppler to Accurately Access Blood Flow in the Foot and Ankle,” Spokane, Washington,

March 19, 2000

112. Invited Speaker, New Britain General Hospital, Grand Rounds, “The Use of Pedicle and Free Flaps in Diabetic Foot,” Danbury, Connecticut, April 2000
113. Invited Speaker, Comprehensive Wound Center, “The Clinical Significance of Angiosomes in Foot and Ankle,” Glendale Memorial Hospital, Glendale, California, May, 2000
114. Invited Speaker, Core Curriculum Course In Plastic Surgery 2000, “Lower Extremity Reconstruction,” Chicago, Illinois, July, 2000
115. Invited Speaker, Wound Management in Primary Care, “Benefits of a Broad-based Wound Care Clinic,” University of Massachusetts Memorial Medical Center, Shrewsbury, Massachusetts, September 2000
116. Visiting Professor,” University of Massachusetts, “Angiosomes of the foot and ankle and clinical applications,” “The use of local muscle flaps in foot and ankle salvage,” Worcester, Massachusetts, September 2000
117. Invited Lecturer, American College of Surgeons 86<sup>th</sup> Annual Clinical Congress, “Comprehensive Ischemic Lower Extremity Wound Management in the Wound Care Center Setting,” Chicago, Illinois, October 2000
118. Invited Lecturer, Glendale Hospital, “Vascular Surgery Implications of Angiosomes of the Foot and Ankle,” Glendale, California, October 2000
119. Invited Lecturer, The Challenge of the Diabetic Foot Course, “Soft Tissue Evaluation and the Art of Debridement,” Providence, Rhode Island, October 2000
120. Invited Lecturer, Diabetic Foot Management, “Plastic Surgery Reconstruction for Diabetic Foot Ulcers,” Boston, Massachusetts, November 2000
121. Invited Lecturer, The Diabetic foot Update 2000, “The Utilization of Angiosomes for Foot Salvage Procedures,” University of Texas Health Science Center, San Antonio, Texas, December 2000
122. Invited Lecturer, The 16<sup>th</sup> American Society for Reconstructive Microsurgery Annual Meeting, “Alternatives to Microsurgery in Soft Tissue Coverage,” Coronado, California, January 2001
123. Invited Lecturer, PSEF Society Annual Meeting, “Closing Wounds with Modern Wound Care Modalities: The Vacuum Technique, Hyperbaric Oxygen, Growth Factors and Cultured Skin,” “Coverage of Exposed Alloplast,” Vail, Colorado, March 2001
124. Invited Lecturer, Mount Auburn Hospital, “Diabetic Limb Salvage in 2001: How to Keep It Simple,” Cambridge Massachusetts, May 2001

125. Invited Lecturer, Wound Healing Society, “The Role of Debridement and Tropical Treatment (VAC, Growth Factor, Cultured Skin) In Promoting Healing,” Albuquerque, New Mexico, May 2001
126. Invited Lecturer, Alaska Native Medical Center-Grand Rounds, “What’s New in Wound Healing?” Anchorage, Alaska, May 2001
127. Invited Lecturer, Lecture to Anchorage Surgical Community, “Improving Limb Salvage: New Concepts & Applications in Vascular Anatomy of Lower Extremity,” Anchorage, Alaska, May 2001
128. Invited Lecturer, Providence Alaska Medical Center-Ground Rounds, “Current Concepts in Diabetic Limb Salvage,” Anchorage, Alaska, June 2001
129. Invited Lecturer, Alaska Regional Hospital – Grand Rounds, “How to Avoid Amputation in Diabetics,” “General Wound Healing Concepts,” Anchorage, Alaska, June 2001
130. Invited Lecturer, Podiatric Conference, “The Role Of Debridement In Wound Healing,” “Topical Adjuncts for Wound Healing,” Roanoke Virginia, June 2001
131. Invited Lecturer, 43<sup>rd</sup> Annual World Congress of Angiology, “Plastic Surgical Options in the treatment of Diabetics Foot Ulcers,” Berlin, Germany, June 2001
132. Invited Speaker, The 87<sup>th</sup> American College of Surgeons, “‘Simple’ Soft Reconstruction Approaches for ‘Complex’ Problems: Recent Advances in Wound Management,” New Orleans, Louisiana, October 2001
133. Invited Speaker, American College of Foot and Ankle Surgeons, “Basic Plastic Surgical Procedures,” “Advanced Plastic Surgical Procedures,” Rosemont, IL, October 2001
134. Invited Speaker, ASPS Annual Scientific Meeting, “Ischemic Foot Ulcer Amputation or Salvage,” “Island Flap Reconstruction of the Foot and Ankle,” “Debridement and Application of Adjunctive Therapy for Wound Healing,” Orlando, Florida, November 2001
135. Invited Lecturer, 2<sup>nd</sup> Annual Meeting of the Pennsylvania Foot and Ankle Society, “Clinical Applications of the Vascular Anatomy of the Foot and Ankle,” “Pedicled Flap Reconstruction of the Foot and Ankle,” “Local Flaps and Skin Grafts for Foot and Ankle,” Scranton, Pennsylvania, November 2001
136. Invited Lecturer, 2<sup>nd</sup> Annual Meeting of the Wound Healing: Science and Industry, “The Concept and Clinical Applications of Angiosomes in the Foot and Ankle.” St. Thomas, Virgin Islands, December 2001
137. Invited panel moderator, 17<sup>th</sup> American Society for Reconstructive Microsurgery Annual Meeting, “Options When a Free Flap Fails,” Cancun, Mexico, January 2002

138. Invited Lecture, 32<sup>nd</sup> Annual Winter Meeting Orthopedic Foot & Ankle Society Meeting, “How to Avoid Skin Problems with Incisions Around the Foot & Ankle,” Dallas, Texas, February, 2002
150. Invited Lecturer, Perspectives and Advances in Plastic Surgery, “Guide To Successful Free Tissue Transfer,” “The Wound Healing Center,” “How to Deal with Difficult Reconstructive Cases,” Vail, Colorado, March 2002
153. Invited Lecturer, 27<sup>th</sup> SCVIR Annual Scientific Meeting, “Basic Approaches to Wound Healing and the Role of A Wound Healing Clinic,” Baltimore, MD, April 2002
155. Invited Commentator, 16<sup>th</sup> Eastern Vascular Society, “Comments on Radial Artery Flow-through Free Flap (RAFT Graft) as a Bypass Conduit- A new Option in Limb Salvage,” Boston, Massachusetts, May 2002
156. Invited Speaker, Joint Conference of the Wound Healing Society and European Tissue Repair Society, “The Role Of Debridement In Wound Healing,” Baltimore, Maryland, May 2002
157. Invited Speaker, S.O.C. Meeting, “The Role of Debridement in Preparing the Wound Bed for Apligraf,” Baltimore, Maryland, May 2002
158. Invited Speaker, 88<sup>th</sup> Meeting of the America College of Surgeons, “The Ischemic Foot: Salvage Vs. Amputation,” San Francisco, October 2002
160. Invited Speaker, New Cardiovascular Horizons and Management of the Diabetic Foot and Wound Healing: “To Amputate or Cover the Wound: The Role of Flaps, Grafts and Tissue Reconstruction in Limb Salvage and Wound Care,” New Orleans, Louisiana, October 2002
161. Invited Speaker, 71<sup>st</sup> American Association of Plastic Surgery. “Vacuum Assisted Closure Device for the Lower Extremity,” Course on *Island Flaps Reconstruction of The Extremities*. “Island Flaps of the Lower Extremity,” Course on *Advanced Concepts in Wound Management: A practical Approach*: “Approaches to the Diabetic Foot Ulcer,” Course on *Reconstructive Surgery of the Diabetic Foot*. “Clinical Applications of Angiosomes and Arterial-Arterial Connections in Diabetic Foot Salvage,” San Antonio, Texas, November 2002
165. Invited Speaker, 4<sup>th</sup> Meeting of Wound Healing: Science and Industry, “The Role of Angiosomes in Foot and Ankle Preservation.” St. Thomas, Virgin Islands, December 2002
166. Invited Speaker, 18<sup>h</sup> American Society for Reconstructive Microsurgery, “Lower Extremity Reconstruction: A New Algorithm That Reassess the Role of Microsurgery Amidst Modern Wound Healing Techniques and Simple Reconstructions,” Kauai, Hawaii, January 2003
167. Invited Speaker, AAOS Specialty Day, “Soft Tissue Reconstruction Strategies Around An

- Ilizarov Frame,” New Orleans, Louisiana, February 2003
168. Invited Speaker, 31<sup>st</sup> Annual Society for Clinical Vascular Surgery, “Soft Tissue Strategies To Prevent Limb Loss Despite A Patent Bypass,” Miami, Florida, March 2003
  169. Invited Speaker, Perspectives And Advances In Plastic Surgery, “How To Optimize Limb Salvage Strategies With The Vascular Surgeon After Successful Revascularization,” “Local Flaps Useful In Foot and Ankle Reconstruction,” Vail, Colorado, March 2003
  170. Invited speaker, 11<sup>th</sup> Congress Of The World Society For Reconstructive Microsurgery, “Current Concepts In The Interdisciplinary Treatment Of Osteomyelitis: Setting Up A Limb Salvage Center,” Heidelberg, Germany, June 2003
  171. Visiting Professor, University of Texas, Southwestern, “Angiosomes of the Foot & Ankle: Their Clinical Significance In Reconstruction & Designing Safe Incisions,” “Foot & Ankle Reconstruction Using Pedicled Fascio-cutaneous and Muscle Flaps,” “Soft Tissue Reconstruction in Diabetic Foot Salvage: Free Flaps and Amputation,” “Current Strategies in Diabetic Foot Salvage,” Dallas, Texas, August 2003
  172. Invited Speaker, American College of Surgeons 89<sup>th</sup> Annual Clinical Congress, “An Integrated Approach to the Diabetic Foot: Staying One Step Ahead of Managed Care,” *Wound Healing Symposium*: “Debridement and Closure Techniques,” Chicago, Illinois, October 2003
  173. Invited Speaker, New Cardiovascular Horizons and Management Of The Diabetic Foot and Wound Healing, “Maximizing Length and Optimizing Biomechanics in Foot Amputations by Avoiding Cookbook Recipes for Amputation,” New Orleans, Louisiana, October 2003
  174. Invited Speaker, 72<sup>nd</sup> American Association of Plastic Surgery, Course on *Advanced Concepts in Wound Management: A practical Approach*: “Approaches to the Diabetic Foot Ulcer,” Course on *Reconstructive Surgery of the Diabetic Foot*: “Clinical Applications of Angiosomes And Arterial-Arterial Connections In Diabetic Foot Salvage,” San Diego, California, October 2003
  175. Invited Speaker, 2<sup>nd</sup> Annual Southern California Symposium On The High Risk Diabetic Foot In The New Millennium, “An Overview of Diabetic Foot Surgery,” Burbank, California, November 2003
  176. Invited Speaker, Consensus Meeting On The Use Of The VAC In The Diabetic Foot, “The Use Of The VAC In Skin Grafts And Flaps,” Tucson, Arizona 2003
  177. Invited Speaker, 5<sup>th</sup> Meeting of Wound Healing: Science and Industry, “The Use Of The VAC In Wound Preparation, Skin Graft And Flaps,” St. Thomas, Virgin Islands December 2003
  178. Invited Speaker, 62<sup>nd</sup> American College Of Foot & Ankle Surgeons, “Angiosomes Of The

- Foot And Ankle As A Concept For Limb Preservation,” “Wound Reconstruction With Skin Grafting And Sub-Atmospheric Devices,” San Diego, California, February 2004
179. Invited Speaker, 17<sup>th</sup> Perspectives And Advances In Plastic Surgery, “Current Clinical Applications Of The VAC,” Vail, Colorado, March 2004
  180. Invited Speaker, 1<sup>st</sup> International Foot & Ankle Congress, “Wound Care And Plastic Surgery Closure Of The Lower Extremity,” New Orleans, Louisiana, April 2004
  181. Invited Speaker, Richmond Chapter of Virginia Podiatric Medical Association, “Current Concepts In Diabetic Limb Salvage,” Richmond, Virginia, April 2004
  182. Invited Speaker, 14<sup>th</sup> Wound Healing Society Meeting, “Debridement and Simple Salvage of the Diabetic Foot,” Atlanta, Georgia, May 2004
  183. Invited Speaker, Wound Healing Foundation, “Care of the Diabetic Ulcer: Post op Care, Cultured Skin and Application of the V.A.C.,” Atlanta, Georgia May 2004
  184. Invited Speaker, VPMA Virginia Beach Conference, “Angiosomes of the Foot and Ankle,” “Debridement and wound bed preparation,” Virginia Beach, Virginia, June 2004
  185. Invited Speaker, APMA 92<sup>nd</sup> Annual Scientific Meeting, “Advanced Wound Healing for limb salvage – including TAL,” Boston, Massachusetts, August 2004
  186. Invited Speaker, Southwest Foot & Ankle Conference, “Wound Bed Preparation,” Dallas Texas, September 2004
  187. Invited Speaker, 73rd American Society of Plastic Surgery, Course on *Advanced Concepts in Wound Management: A practical Approach*: “Debridement, the VAC & Approaches to the Diabetic Foot Ulcer,” panel “New Approaches To Difficult Wound Healing Challenges,” “The Role Of Skin Substitutes In Wound Healing,” “Practical Concepts In Dealing With Complex Wounds,” Philadelphia, Pennsylvania, October 2004
  188. Invited Speaker, New Cardiovascular Horizons and Management Of The Diabetic Foot and Wound Healing, “Tissue Reconstruction In Wound Dare: The Role Of Plastic Surgery In Limb Salvage.” New Orleans, Louisiana, October 2004
  189. Invited Speaker, Mid-Atlantic Podiatric Association, “New Concepts In Soft Tissue Healing In The Diabetic Foot,” Fairfax, Virginia, October 2004
  190. Invited Speaker, 16<sup>th</sup> Loyola University “Disorder Of The Foot” Seminar, “Current Updates In Diabetic Limb Salvage,” Chicago, Illinois, October 2004
  191. Invited Speaker, Achieving Aesthetics And Function Through Reconstructive Surgery Symposium, “Problem Wounds: The Center Concept,” “VAC: Mechanism and Application,” “Exposed Achilles Tendon,” San Francisco, California, November 2004

192. Invited Speaker, 4th Annual, Wound Healing: Science & Industry, “Debridement And The Role Of The VAC In Wound Healing,” “The Role Of Skin Equivalents In Wound Healing,” St. Thomas, Virgin Islands, December 2004
193. Invited Speaker, Akron City Hospital (Summa Health System), “Current Concepts In Diabetic Limb Salvage,” Akron, Ohio, 2004
212. Invited Speaker, DF Con ‘05: Diabetic Foot Global Conference 2005, “Achilles Tendon Lengthening and Assorted Bread and Butter Procedures,” “Use (and abuse) of VAC in the Diabetic Foot,” Hollywood, California, March 2005
214. Invited Speaker, First Caribbean Workshop Diabetic Foot and Wound Care, “Plastic Surgery Principles in Wound Healing,” St. Michael, Barbados, March 2005
216. Invited Speaker, American Professional Wound Care Association National Clinical Conference 2005, “Current Concept in Treating Diabetic Foot Ulcers,” Philadelphia, Pennsylvania, April 2005
217. Invited Speaker, Plastic Surgery Grand Rounds, “Current Concepts in Diabetic Limb Salvage,” University of California, Irvine, California, April 2005
218. Invited Speaker, Plastic Surgery Grand Rounds, “Current Concepts in Diabetic Limb Salvage,” University of Southern California, Los Angeles, California April 2005
219. Invited Speaker, Plastic Surgery Grand Rounds, “Current Concepts in Diabetic Limb Salvage,” Loma Linda University, Loma Linda, California, April 2005
220. Invited Speaker, Diabetic Foot and Ankle Seminar, “Tendo Achilles Lengthening: Surgical Technique and How to Avoid Complications,” “Surgical Management of the Abscessed and Necrotic Foot,” “Pedicled and Rotational Flap Closure,” American College of Foot and Ankle Surgeons, Miami, Florida, May 2005
223. Invited Speaker, Society for Vascular Surgery Annual Meeting 2005, “Soft Tissue Strategies for Managing Diabetic Foot Ulcers and Gangrene,” Society for Vascular Surgery, Chicago, Illinois, June 2005
224. Invited Speaker, Plastic Surgery Grand Rounds, “Current Concepts in Diabetic Limb Salvage,” McGill University, Montreal, Canada, June 2005
225. Invited Speaker, Plastic Surgery Grand Rounds, “Current Concepts in Diabetic Limb Salvage,” Virginia Commonwealth University, Richmond, Virginia, June 2005
226. Invited Speaker, Plastic Surgery Grand Rounds, “Current Concepts in Diabetic Limb Salvage,” University of Wisconsin, Madison, Wisconsin, July 2005

227. Invited Speaker, 15<sup>th</sup> Annual Baltimore Limb Deformity Course, “Osteomyelitis and New Therapeutic Modalities,” Baltimore, Maryland, September 2005
228. Invited Speaker, Practical Evidence Based Standards of Care in Wound Healing, “Venous Stasis Ulcer Current Therapy Including Pressure Dressings and Venous Surgery,” Chicago, Illinois, September 2005
229. Invited Speaker, American Society of Plastic Surgeons Annual Meeting 2005, “Simple Alternatives to Microsurgery for Foot and Ankle Reconstruction,” “Reconstructive Surgery of the Diabetic Foot,” Chicago, Illinois, September 2005
231. Invited Speaker, Plastic Surgery Grand Rounds, “Current Concepts in Diabetic Limb Salvage,” University of California San Francisco, San Francisco, California, October 2005
232. Invited Speaker, American College of Surgeons Annual Clinical Congress, “An Integrated Approach to the Diabetic Foot: Staying One Step Ahead of Managed Care,” San Francisco, California, October 2005
233. Invited Speaker, New Cardiovascular Horizons and Management of the Diabetic Foot and Wound Healing, “Complicated Wound Closure in Limb Salvage: The Role of Advanced Reconstructive Surgery,” Miami, Florida, October 2005
234. Invited Speaker, Plastic Surgery Grand Rounds, “Current Concepts in Diabetic Limb Salvage,” University of British Columbia, Vancouver, Canada, November 2005
235. Invited Speaker, Wound Healing: Science and Industry 2005, “Apligraf: Current Techniques and Use in Non-FDA Approved Wounds,” St. Thomas, Virgin Islands, December 2005
236. Invited Speaker, American Society for Reconstructive Microsurgery: Annual Scientific Meeting, “Lower Extremity Reconstruction,” Tucson, Arizona, January 2006
237. Invited Speaker, Plastic Surgery Grand Rounds, “Current Concepts in Diabetic Limb Salvage,” Johns Hopkins University, Baltimore, Maryland, February 2006
239. Invited Speaker, DF Con ‘06: Diabetic Foot Global Conference 2006, “Wound Healing Through Surgery,” “Has Negative Pressure Wound Therapy Trumped Free Flaps?” Hollywood, California, March 2006
241. Invited Speaker, American Association of Plastic Surgeons: 85<sup>th</sup> Annual Meeting, “New Technologies in Plastic Surgery: Promises and Reality,” Hilton Head, South Carolina, May 2006
242. Invited Speaker, American Society of Plastic Surgeons Annual Meeting 2006, “Evidence Based Approaches to Wound Healing,” “Simple Alternatives to Microsurgery for Foot and

- Ankle Reconstruction,” San Francisco, California, October 2006
244. Invited Speaker, American College of Surgeons 92<sup>nd</sup> Annual Clinical Congress, “What’s New in Wound Healing,” Chicago, Illinois, October 2006
  245. Invited Speaker, New Cardiovascular Horizons and Management of the Diabetic Foot and Wound Healing, “Creative Tissue Reconstruction in the Diabetic Foot: Extending the Boundaries for Limb Salvage,” New Orleans, Louisiana, November 2006
  246. Invited Speaker, Veith Symposium, “How to Bill for Wound Care after Vascular Surgery,” New York, New York, November 2006
  247. Invited Speaker, An Interactive, Comprehensive Two-Day Workshop for the Wound Professional: Practical Evidence-Based Management of Chronic Wounds, “Inpatient Care of Diabetic Foot Ulcers,” “Synergistic Therapies to be Applied in Chronic Wounds,” San Francisco, California, December 2006
  249. Invited Speaker, 7<sup>th</sup> Annual Wound Healing: Science and Industry, “The Financing of a Viable Academic Wound Center,” St. Thomas, US Virgin Islands, December 2006
  250. Invited Speaker, DF Con ’07: Diabetic Foot Global Conference 2007, “Better Healing Through Surgery and Teamwork,” “Master Tips from Master Clinicians: How I Debride a Wound,” Hollywood, California, March 2007
  252. Invited Speaker, North Shore Long Island Jewish Medical Center Wound Conference, “Current Concepts in Diabetic Limb Salvage,” Melville, NY, March 2007
  253. Invited Speaker, Symposium on Advanced Wound Care 2007, “Tissue Repair through Biomechanical Modulation: Shockwave Therapy for Wound Healing,” Tampa, FL, May 2007
  254. Invited Speaker, Society for Vascular Surgery, “Debridement and Amputation Techniques for Foot Preservation,” Baltimore, MD, June 2007
  255. Invited Speaker, Smith & Nephew Masters Course in Advanced Techniques in Surgical Wound Management, “Surgical Techniques Used In Debriding Wound Including Studies With The Versajet,” “Current Surgical Concepts in Diabetic Limb Salvage,” “Lower Extremity Flaps,” Chicago, IL, June 2007
  256. Invited Speaker, Diabetic Foot Society of India Conference, “Concept of Angiosomes and its Relevance in Reconstruction of the Foot,” “Challenges of the Diabetic Foot Reconstruction,” “Running a Diabetic Foot Center and Multidisciplinary Approach,” “Soft Tissue Reconstruction of Diabetic Foot,” “Debridement in Diabetic Foot,” Chennai, India, September 2007
  257. Invited Speaker, Advanced Wound Healing and Hyperbaric Medicine Course,

- “Understanding Angiosomes,” Orlando, FL, February 2008
258. Invited Speaker, Society of Gynecologic Oncologists’ 39<sup>th</sup> Annual Meeting, “Multidisciplinary Management of the Complex Wound,” Tampa, FL, March 2008
  259. Invited Speaker, Diabetic Foot Global Conference, “Debridement: All the Arrows in my Quiver,” “A String of Pearls: Master Tips from Master Clinicians,” Los Angeles, CA, March 2008
  260. Invited Speaker, Malvern Diabetic Foot Conference, “Debridement and Negative-Pressure Wound Therapy,” “Heels Don’t Heal- True or False?” Malvern, England, May 2008
  261. Invited Speaker, Diabetic Foot Congress, “Current Concepts in Diabetic Limb Salvage,” “The role of Angiosomes in Diabetic Foot Reconstruction,” “Reconstruction of the Diabetic Foot,” Johannesburg, South Africa, June 2008
  262. Invited Speaker, Diabetic Foot Congress, “Heel Gangrene Worth Salvaging,” Johannesburg, South Africa, June 2008
  263. Invited Speaker, Wound Care SST: Specialization, Science, Technology, “Most Chronic Wounds Can Be Closed: How, When, and Why,” Chicago, Illinois, July 2008
  264. Invited Speaker, International Symposium; Diabetic Foot: Surgery, Therapy, Rehabilitation, “Surgery of the Diabetic Foot in the Past, Now, and in the Future,” St. Petersburg, Russia, October 2008
  265. Invited Speaker, ACS Annual Clinical Congress, “What’s New in Debridement and VAC Therapy?” San Francisco, CA, October 2008
  276. Invited Speaker, iLegx Interdisciplinary Leg Initiative, “Restoring Tissue Loss – Excision of Calcification,” London, England, October 2008
  277. Program Committee, 9<sup>th</sup> Annual Wound Healing: Science and Industry, “Regional Areas of Ischemia,” St. Thomas, U.S. Virgin Islands, December 2008
  278. Invited Speaker, ASRM Annual Meeting, “Surgical Options in the Diabetic Extremity,” Maui, Hawaii, January 2009
  279. Invited Speaker, Superbones Conference, “Keynote Address: Muscle Flaps: A Review of Common Foot Flaps,” Paradise Island, Bahamas, January-February 2009
  280. Invited Speaker, Diabetic Foot Global Conference, “War on Toe-ror: The Early Use of Advanced Dressings from the Battlefield to the Clinic,” “When Should I Call the Infectious Disease Doctor?” “All Osteomyelitis Should Be Excised: *Fact or Fiction?*” Los Angeles, CA, March 2009

283. Session Moderator, Symposium on Advanced Wound Care, “Advanced Wound Flaps, Grafts, and Medical Devices,” Dallas, TX, April 2009
284. Invited Speaker, The West Penn Hospital 2009 Symposium on Foot & Ankle Surgery, “The Significance of Local Regions of Ischemia in the Setting of Angiosomes,” “The Role of Surgery in Forefoot Osteomyelitis,” “Heel Ulcers,” “Debridement: The Old and the New,” Pittsburgh, PA, April 2009
285. Invited Speaker, Swiss Society of Plastic Surgery Annual Meeting, “Debridement: The Critical Component in Wound Healing” “The Current State of Diabetic Foot Salvage,” Interlaken, Switzerland, October 2009
286. Invited Speaker, QMP Reconstructive Symposium, “Master Class: Current State of Diabetic Limb Salvage,” “Regional Ischemia in the Lower Extremity: Is there a Solution?” “Medical vs. Surgical Therapy for Foot Osteomyelitis,” St. Louis, MO, November 2009
287. Program Committee/Speaker, 10<sup>th</sup> Annual Wound Healing: Science and Industry, “Debridement: Choosing the Right Device,” St. Thomas, U.S. Virgin Islands, December 2009
288. Visiting Professor, Department of Plastic Surgery, Cleveland Clinic, “The Business of Wound Healing,” “Pedicle Flaps of the Lower Leg & Foot,” “Regional Ischemia in the Lower Extremity,” Cleveland, OH, December 2009
289. Invited Speaker, Diabetic Foot Global Conference, “Grafts, Flaps, and NPWT: We Got you Covered,” Los Angeles, CA, March 2010
290. Invited Speaker, Ohio State University: Advances in Wound Care and HBO Update 2010, “Limb Salvage and Advances in Diabetic Ulcer Healing,” Columbus, OH, March 2010
291. Invited Moderator/Speaker, Symposium on Advanced Wound Care, “Limb and Vascular Reconstruction,” Orlando, FL, April 2010
292. Invited Speaker, Technology Innovation in Plastic Surgery (TIPS), “Clinical Experience with Negative Pressure Wound Therapy (NPWT),” San Francisco, CA, May 2010
293. Invited Speaker, Fifth Joint EASD/ADA/IDF Advanced Clinical Postgraduate Course in the Management of Diabetes and its Complications, “Revascularization, Surgical Debridement and the Role of the Plastic Surgeon,” Dar-es-Salam, Tanzania, June 2010
294. Invited Speaker, American Diabetes Association 70<sup>th</sup> Scientific Sessions, “The Georgetown Model for Diabetic Limb Salvage: Integrating Vascular Surgery, Plastic Surgery, Podiatry and Orthopedic Surgery,” Orlando, FL, June 2010
295. Invited Speaker, Puerto Rico Podiatric Medical Society 2010 Convention, “Debridement

- debridement, debridement: Attention to detail and new techniques,” “The Reconstructive Ladder: Skin grafts and local flaps for the foot and ankle,” San Juan, Puerto Rico, June 2010
297. Invited Speaker, Wound Care Update 2010, “Debridement and Biologics,” San Antonio, TX, July 2010
298. Invited Speaker/Session Moderator, Symposium on Advanced Wound Care, “Limb and Vascular Reconstruction,” Anaheim, CA, September 2010
299. Invited Speaker, Diabetic Foot Society of India – 9<sup>th</sup> Annual Conference, “How to Perform Biomechanically Sound Amputation,” “Debridement in Light of What We Are Learning About Biofilms,” “Angiosome Targeted Revascularization,” Bangalore, India October 2010
302. Invited Speaker, 11<sup>th</sup> Annual Wound Healing: Science and Industry, “Critical Limb Ischemia Review,” St. Thomas, US Virgin Islands, December 2010
303. Invited Speaker, University of Nairobi Grand Rounds, “Current State of Diabetic Limb Salvage,” Nairobi, January 2011
304. Invited Speaker, Murray Lectureship, “Diabetic Limb Salvage – An Update,” Boston, MA, March 2011
305. Invited Speaker, Diabetic Foot Global Conference, “Debridement: A Pride of Techniques for Your Surgical Safari,” Los Angeles, CA, March 2011
306. Invited Speaker, Symposium on Advanced Wound Care Spring, “Advanced Surgical Repair of Wounds,” Dallas, TX, April 2011
307. Invited Speaker, John Parenti Limb Preservation Lectureship, Geisinger Health System, “A Team Approach to Wound Healing,” “The Business of Wound Healing,” Danville, PA, May 2011
309. Invited Speaker, Integra Lower Extremity Flap Course, “Difficulties of Lower Third Soft Tissue Coverage,” Stanford, CA, May 2011
310. Invited Speaker, 6<sup>th</sup> International Symposium on the Diabetic Foot, “Difficult Cases in Infection,” “Amputation and Ambulation,” Noordwijkerhout, Netherlands, May 2011
312. Invited Speaker, Society for Vascular Surgery Annual Meeting, “Care of the Diabetic Foot from Wound Management to Revascularization,” Chicago, IL, June 2011
313. Invited Speaker, 6th Congress of the World Society for Reconstructive Microsurgery, “Ischaemic Lower Limb,” Helsinki, Finland, June 2011
314. Invited Speaker, Integra Lower Extremity Flap Course, “Difficulties of Lower Third Soft Tissue Coverage,” Chicago, IL, July 2011

315. Invited Speaker, American College of Wound Healing and Tissue Repair Inaugural Meeting, “Limb Salvage vs. Amputation: A Patient-centric Approach,” Chicago, IL, August 2011
316. Invited Speaker, Diabetic Foot Society of India Conference, “Restoring Ambulation through Amputations: Foot vs. BKA,” “The Role of Achilles Tendon in Diabetic Ulceration,” Ahmedabad, India, October 2011
318. Invited Speaker, Polio Foundation, “Diabetic Limb Salvage: Surgical Perspective,” Ahmedabad, India, October 2011
319. Invited Speaker, Symposium on Advanced Wound Care Fall 2011, “How to Know When and How to Debride,” Las Vegas, NV, October 2011
320. Invited Speaker, Lower Extremity Course, “Local Flaps for Foot and Ankle Defects,” “Diabetic Foot Wounds: Not all Wounds are Created Equal,” “What Works in Healing Lower Extremity Wounds: Are Biologic Matrices Worth the Extra Cost?” Philadelphia, PA, November 2011
321. Invited Speaker, 16<sup>th</sup> French Conference on Wound Healing, “Foot Salvage in Diabetic Foot Ulcer Using Innovative Surgical Procedures,” Paris, France, January 2012
322. Invited Speaker, Wake Forest, “Use of Pedicle Muscle Flaps in Limb Salvage,” Winston-Salem, North Carolina, February 2012
323. Invited Speaker, The Symposium on Advanced Wound Care, “Vascular Biology,” “Plastic Surgical Repair of Chronic Wounds,” Atlanta, GA, April 2012
325. Invited Speaker, The 14<sup>th</sup> Malvern Diabetic Foot Conference, “Major Amputation in Diabetes: The Georgetown Experience,” Great Malvern, UK, May 2012
326. Invited Speaker, International Course on Diabetic Foot, “Soft Tissue Reconstruction in Charcot Foot,” Bologna, Italy, June 2012
327. Invited Speaker, 10<sup>th</sup> Annual Duke FLAP Course 2012, “Foot and Ankle Flaps,” Durham, North Carolina, August 2012
328. Invited Speaker, EASD/DFWG 2012 Conference, “Major Amputations in the Lower Limb,” Spier, South Africa, August 2012
329. Invited Speaker, 4<sup>th</sup> Congress of the World Union of Wound Healing Societies, “Angiosomes of the foot and ankle: their role in amputation, revascularization and reconstruction,” “The Ischemic Wound: Clinical Solutions,” “The impact of Instillation Therapy on Wound Healing,” Yokohama, Japan, September 2012
332. Invited Lecturer, ACS Clinical Congress, “Diabetic Wound Debridement and Bed

- Preparation,” Chicago, Illinois, September 2012
333. Invited Speaker, Lower Extremity Flap Course, “Local flap: Abductor Digiti Minimi, Abductor Hallucis, Medial Plantar Flap, Flexor Digitorum,” Plano, Texas, December 2012
  334. Invited Speaker, 17<sup>th</sup> Annual French Wound Healing Society, “Diabetic foot: what’s new?” “Versajet Workshop,” Paris, France, January 2013
  335. Invited Speaker, The 6<sup>th</sup> Annual Translational to Clinic (T2C) Regenerative Medicine Wound Care Conference, “Future Directions in Diabetic Limb Salvage,” Columbus, Ohio, March 2013
  336. Invited Speaker, 35<sup>th</sup> International Symposium Charing Cross – Controversies, Challenges, Consensus, “Surgical care of the wound – debridement, planning amputations and reconstruction,” London, England, April 2013
  337. Invited Speaker, American Association of Plastic Surgeons 92<sup>nd</sup> Annual Meeting, “Lower Extremity: Practical Advances in Lower Extremity Reconstruction,” New Orleans, Louisiana, April 2013
  338. Invited Speaker, The Symposium on Advanced Wound Care, “Plastic Surgery: Closure vs. Healing,” Denver, Colorado, May 2013
  339. Invited Speaker, Grand Rounds, Department of Podiatric Medicine, University of Cincinnati, “Future Directions in Diabetic Limb Salvage,” Cincinnati, Ohio, May, 2013
  340. Invited Speaker, Technology Innovation in Plastic Surgery, “Negative Pressure Wound Therapy and Instillation Therapy: New Solution?” San Francisco, CA, June 2013
  341. Invited Speaker/Course Director, Diabetic Foot International Summer School of Surgery, “The Use of Skin Grafts and Dermal Substitutions” and “How to Visit a Patient with Diabetic Foot Ulcers,” Milan, Italy, July 2013
  342. Invited Speaker, World Society for Reconstructive Microsurgery 2013 World Congress, “Complex Reconstruction: Lower Extremity,” “Achieving Normal in Lower Extremity Reconstruction,” “Amputation/Prosthetic Versus Reconstruction: Decisions in Approach to Management,” Chicago, Illinois, July 2013
  343. Invited Speaker, LUNA Summit for Wound Care, “Angiosomes of the Foot and Ankle: Their Role in Amputation and Revascularization and Reconstruction,” Las Vegas, NV, October 2013
  344. Invited Speaker, Mayo Clinic, “The Restoring Ambulation through Foot Amputation vs. Below Knee Amputation,” Rochester, MN, November 2013
  345. Invited Speaker, 18<sup>th</sup> Conférence Nationale de Plaies et Cicatrisations, “Diabetic Foot

Surgery: Where are the limits?" Paris, France, January 2014

346. Invited Speaker, Hanger Education Fair & National Meeting, "Where Do Amputations Fit in Diabetic Limb Salvage," "Prosthetic Symposium," Las Vegas, Nevada, February 2014
347. Invited Speaker/Moderator, Middle East Wounds and Scar Meeting, "The Key to Diabetic Limb Salvage: Biomechanics, Biomechanics, Biomechanics," "Diabetic Limb Salvage: the Keys to Adequate Wound Bed Preparation," "Soft Tissues Closure Techniques for the Diabetic Foot: How to Choose Between Simple and Complex Closures," "Optimizing Function and Decreasing Recidivism by Individualizing Amputation for Each Patient," Dubai, UAE, March 2014
348. Panelist, Diabetic Foot Global Conference, "Digital Democrats Fight Plantar Fascism: Sending Wound Healing Dogma into Exile," Los Angeles, CA, March 2014
349. Moderator, Diabetic Foot Global Conference, "William Tell Overtures: How to Avoid Being a Lone Ranger or Acting the Cowboy," Los Angeles, CA, March 2014
350. Invited Speaker, Diabetic Foot Global Conference, "Conquering the Toes of Kilimanjaro (without a Farewell to Legs)," Los Angeles, CA, March 2014
351. Invited Speaker, Charing Cross International Symposium: Vascular & Endovascular Consensus Update, "The value of angiosome definition and saving ischaemic and diabetic feet," London, England, UK, April 2014
352. Invited Speaker, Chang Gung Mayo Clinic Symposium, "The Role of Intrinsic Flaps of the Foot for Smaller Defects of the Midfoot, Heel, and Ankle," "The Role of the Achilles Tendon in Diabetic Forefoot Ulceration," "The Importance of Addressing Biomechanics with Every Reconstruction to Avoid Recurrent Breakdown," "The Role of Lower Limb Amputation in Limb Salvage," Taipei, Taiwan, May 2014
353. Invited Speaker, Consensus Workshop on the Optimal Use of Technology in Wound Management, "Determining Amputation Levels," Southampton, England, UK, June 2014

#### **INVITED SPEAKER AT GEORGETOWN / LOCAL AREA**

1. Invited Speaker, Grand Rounds, Department of Otolaryngology, Georgetown University School of Medicine, "Physiology of Microcirculation," Washington, DC, December, 1990
2. Invited Speaker, Grand Rounds, Division of General Surgery, George Washington University School of Medicine, "Diabetic Foot: Maximal Foot Salvage," "History of Flap Surgery," Washington, DC, January, 1991
3. Invited Lecturer, Annual Meeting of the Metropolitan Washington Chapter of the American College of Surgeons, "Problems in Surgery: A Multi-specialty Program," "Breakthroughs in Treatment of the Diabetic Ulcer," Washington, DC, March 1991

4. Invited Speaker, Medical Grand Rounds, Sibley Hospital, "Comprehensive Approach with the Diabetic Foot Ulcer, Washington, DC, March 1991
5. Invited Speaker, Grand Rounds, National Naval Medical Center, "Surgical Approach to Diabetic Foot Infections," "The Neuropathy of the Diabetic Foot," Bethesda, MD, September, 1991
6. Invited Speaker, Orthopedic Guild, Department of Orthopedic Surgery, Georgetown University School of Medicine, "Optimal Salvage of the Diabetic Foot," Washington, DC, October, 1991
7. Invited Speaker, "Gynecologic Surgery with Hands-On Practicum," a symposium sponsored by the Department of Obstetrics and Gynecology, Georgetown University School of Medicine, "Wound Healing: Critical Issues and Management of Complications," Washington, DC, October, 1991
8. Invited Speaker, Grand Rounds, Division of General Surgery, Georgetown University School of Medicine, "Optimal Diabetic Foot Salvage," Washington, DC, December, 1991
9. Invited Speaker, Grand Rounds, Department of Otolaryngology, Georgetown University School of Medicine, "History of Flap Surgery in Head and Neck Surgery," Washington, DC, January, 1991
10. Invited Speaker, Grand Rounds, Peninsula General Hospital, "Plastic Surgical Reconstruction of the Diabetic Foot", Salisbury, Maryland, February, 1992
11. Invited Speaker, Grand Rounds, Greater Laurel Beltsville Hospital, "Plastic Surgical Reconstruction of the Diabetic Foot," Laurel, Maryland, February, 1992
12. Invited Lecturer, 61st Annual Scientific Meeting ASPRS, "Microsurgery in the 90's," Washington, D.C. September, 1992
13. Invited Lecturer, Seminar on Limb Salvage in the Diabetic Foot, "Plastic Surgical Reconstruction in the Diabetic Foot," Fairfax, Virginia, December 1992
14. Invited Speaker, Grand Rounds, Department of Orthopedics, Georgetown University School of Medicine, "Diabetic Foot Salvage", Washington, DC, December, 1992
15. Invited Speaker, Grand Rounds, Department of Oral Surgery, Georgetown University School of Medicine, "History of Head and Neck Surgery, Washington, DC, January, 1993
16. Invited Speaker, Surgical Club of Wisconsin, "Soft Tissue Reconstruction in the Diabetic Foot", Washington, DC, March, 1993
17. Invited Speaker, Grand Rounds, Department of Medicine, Georgetown University School of

- Medicine, "The History of Flaps and Microsurgery", Washington, DC, April, 1993
18. Invited Speaker, Grand Rounds, Department of Oral and Maxillofacial Surgery, Georgetown University School of Medicine, "Reconstructive Options in Head and Neck Defects by Named Flaps", Washington, DC, April, 1993
  19. Invited Speaker, Grand Rounds, Department of Neurosurgery, Georgetown University School of Medicine, "History of Microsurgery", Washington, DC, May, 1993
  20. Invited Speaker, Medical-Surgical Grand Rounds Conference, Montgomery General Hospital, "Diabetic Foot Presentation", Bethesda, MD, June, 1993
  21. Invited Speaker, Grand Rounds, Department of Obstetrics and Gynecology, Georgetown University School of Medicine, "Wounds: Everything You Ever Wanted to Know", Washington, D.C., September 1993
  22. Invited Lecturer, Mid-Atlantic Podiatry Association, "Soft Tissue Salvage of the Diabetic Foot," Washington, D.C., September 1993
  23. Invited Speaker, Grand Rounds, Cumberland Hospital, "Microsurgery in the 1990's," Cumberland, MD, February 1994
  24. Invited Speaker, Grand Rounds, Department of Otolaryngology, Georgetown University School of Medicine, "Vascular Territories in Planning Flaps," Washington, DC, February 1994
  25. Invited Speaker, Grand Rounds, Department of Rheumatology, Georgetown University School of Medicine, "Upper Extremity Vascular Disease," Washington, DC, March 1994
  26. Invited Speaker, Grand Rounds, Division of Plastic Surgery, Georgetown University School of Medicine, "Development of Concept of Vascular Territories," Washington, DC, April 1994
  27. Invited Speaker, Grand Rounds, Division of General Surgery, Georgetown University School of Medicine, "Vascular Territories in Planning Flaps," Washington, DC, May 1994
  28. Invited Speaker, Grand Rounds, Northern Virginia Doctor's Hospital, "Vascular Territories in Planning Foot Reconstructive Surgery," Arlington, VA, May 1994
  29. Invited Speaker, Grand Rounds, National Rehabilitation Hospital, "The Development of Vascular Flaps through History," Washington, DC, July 1994
  30. Invited Lecturer, Region Eight Mid-Atlantic Podiatry Conference, "Plastic Surgery Repair of Diabetic Foot Disorders," Reston, VA, September 1994
  31. Invited Lecturer, Rigid Fixation Symposium, "Application of Microvascular Techniques in

- Cranio-facial Surgery," Panel Speaker on "Salvage of Complications of Facial Trauma," Fairfax, VA, October 1994
32. Invited Speaker, Grand Rounds, Laurel Regional Hospital, "Microsurgery in the 90's," Laurel, MD, January 1995
  33. Invited Speaker, Grand Rounds, Department of Orthopedics, Georgetown University School of Medicine, "Vascular Territories About the Body and How to Take Advantage of Them," Washington, DC, February, 1995
  34. Invited Speaker, Grand Rounds, Department of Otolaryngology, Georgetown University School of Medicine, "Application of Vascular Territories to Delay Flaps," Washington, DC, February 1995
  35. Invited Speaker, Grand Rounds, Doctor's Hospital, "Microsurgery in the '90's," Lanham, MD, March 1995
  36. Invited Lecturer, The Society of Armed Forces Podiatrists, Inc. Annual Conference, "Plastic Surgery and the Foot," Rockville, MD, April 1995
  37. Invited Lecturer, 4th Annual Melvin Jahss Lectureship, "Applications of Angiosomes to Foot and Ankle Reconstruction," Baltimore, MD, September 1995
  38. Invited Lecturer, Current Trends and Refinements in Podiatric Medicine and Surgery, The Podiatric Institute, "Soft Tissue Salvage of the Diabetic Foot and Ankle," "Plastic Surgical Techniques Applied to the Foot," Washington, DC, March 1996
  39. Invited Speaker, Grand Rounds, Department of Otolaryngology, Georgetown University School of Medicine, "Microscope vs. Loops in Free Flap Head and Neck Surgery," Washington, DC, February 1996
  40. Invited Speaker, Grand Rounds, Department of Surgery, Georgetown University School of Medicine, "Lower Extremity Preservation Technique," Washington, DC, March 1996
  41. Invited Lecturer, Southern Society of Clinical Surgeons, Scientific Program, "New Approaches to the Diabetic Foot," Washington, DC, April 1996
  42. Invited Speaker, Grand Rounds, Department of Surgery, Georgetown University School of Medicine, "Microsurgery in Head and Neck Reconstruction," Washington, DC, June 1996
  43. Invited Speaker, Grand Rounds, Holy Cross Hospital, "What's New in the Management of the Diabetic Foot," Silver Spring, MD, December 1996
  44. Invited Speaker, Grand Rounds, Plastic Surgery, Fairfax Hospital, "What's New in Diabetic Foot Salvage," Falls Church, VA, March 1997

45. Invited Lecturer, Association of Surgical Technologists 28th Annual National Conference, “Operative Requirements for Complex Reconstructive Plastic Surgery - Flaps and Microsurgery,” Washington, DC, May 1997
46. Invited Lecturer, American Orthopedic Foot and Ankle Society, “Evaluation of Soft Tissue in Foot and Ankle Wounds,” “Local Soft Tissue Reconstruction,” “Advanced Tissue Transfer for Foot Salvage,” “Local Flap Technique: Surgical Demonstration,” Washington, DC, September 1997
47. Invited Speaker, Georgetown University Medical Center Office of Continuing Medical Education, Trauma and Reconstructive Workshop of the Foot and Ankle, “Soft Tissue Coverage in Lower Extremity Trauma,” “Surgical Exposures to the Foot and Ankle,” Washington, DC, December 1997
48. Invited Speaker, Metropolitan Washington Chapter American College of Surgeons All Surgeons Day, “What’s New in Diabetic Foot Salvage,” Washington, D.C., February 1998
49. Invited Speaker, NRH Grand Rounds, “Management of Chronic Wounds,” National Rehabilitation Hospital, Washington DC, September 1998
50. Invited Lecturer, 8th Mid Atlantic Podiatric Conference, “Application of Vascular Angiosomes to Salvage the Limb and Foot,” Reston, Virginia, October 1998
51. Invited Speaker, Grand Rounds for Capitol Plastic Surgery Society, “Angiosomes as the Basis for Lower Extremity Reconstruction,” Bethesda, Maryland, October 1998
52. Invited Speaker, Vascular Surgery Meeting, “The Importance of Angiosomes in Vascular Reconstruction,” Washington, DC, September, 1999
53. Invited Lecturer, Centers of Wound Healing Excellence, “Soft Tissue Techniques for Open Wounds,” “Pressures Sores: Conservation and Surgical Care,” Wyndham Conference Center, Washington, DC, September 1999
54. Invited Speaker, Department of Medicine, “Wound Healing and Hyperbaric Oxygen,” Georgetown University Hospital, Washington, DC, October, 1999
55. Invited Speaker, Department of Obstetrics and Gynecology, “Principles of Wound Healing,” Georgetown University Hospital, Washington, DC, December 1999
56. Invited Speaker, Department of Surgery, “Wound Healing in the 21st Century,” Georgetown University Hospital, Washington, DC, January, 2000
57. Invited Speaker, Grand Rounds, “Wound Healing in the New Millennium,” Suburban, Hospital, Bethesda, MD, February, 2000
58. Invited Speaker, Grand Rounds, “Wound Healing in the New Millennium,” Washington

Adventist Hospital, Lanham, MD, February, 2000

59. Invited Speaker, Ortho-McNeil, “Caveats in Using Growth Factor in Wound Healing,” National Press Club, Washington, DC, June, 2000
60. Invited Speaker, Metropolitan Washington Chapter American College of Surgeons, All Surgeons Day, “The Role of Surgery in the Management of the Diabetic Patient”, Washington, DC, February 2001.
61. Invited Speaker, Georgetown General Surgery Grand Rounds, “Update in Diabetic Limb Salvage,” Washington, DC, April 2001
62. Invited Speaker, Fairfax, Plastic Surgery Grand Rounds, “Diabetic Limb Salvage In 2001: How to Keep it Simple,” Fairfax, VA, May 2001
63. Invited Speaker, Georgetown Department of Rheumatology,” Wound Healing Strategies in Vasculitic Ulcers,” Washington, DC, May 2001
64. Invited Speaker, George Washington University Hospital, Department of Medicine, “Current Concepts in Wound Healing,” Washington, DC, June 2001
65. Invited Speaker, Mid-Atlantic Podiatric Medical Association, “Salvage of the Diabetic/ PVD Foot,” “Strategies for Soft Tissue Coverage Around the Ankle,” Rockville, MD, October 2001
66. Invited Speaker, Department of Orthopedics, Fairfax Hospital, “The Chronic Wound: Debridement and Current Wound Healing Adjuncts,” Fairfax, VA, January 2002
67. Invited Speaker, Georgetown University Department of Obstetrics and Gynecology, “The Importance of Debridement and Modern Wound Healing Adjuncts to Achieve Wound Closure,” Washington DC, February 2002
68. Invited Lecturer, Annual Cherry Blossom Podiatric Dermatological Seminar, “Soft Tissue Reconstruction of the Ulcerated Diabetic Foot,” Washington, DC, April, 2002
69. Invited Speaker, Suburban Hospital Grand Rounds, “The Importance of Debridement and Modern Wound Healing Adjuncts to Achieve Wound Closure,” Washington DC, May 2002
70. Invited speaker, Mid-Atlantic Podiatric Medical Association Region Eight Symposium: Complications and Consequences of Podiatric Medicine and Surgery, II. “Management of the Chronic Wound and Wound Closure Techniques.” Tyson Corner, Virginia, October 2002
71. Invited Speaker, Georgetown General Surgery Grand Rounds, “How to Prepare A Wound for Closure Through Debridement and Modern Wound Healing Strategies,” Washington, DC, November 2002

72. Invited Speaker, Arlington Hospital Medical Grand Rounds, “Diabetic Limb Salvage in 2003,” Arlington, VA, February 2003
73. Invited Speaker, American Diabetes Association’s, Consensus Development Conference on Peripheral Vascular Disease in Diabetes: “Foot Salvage Procedures,” Washington DC, May 2003
74. Invited Speaker 91<sup>st</sup> Meeting of The American Podiatric Association, “Using Vascular Angiosomes for Planning of Incisions in the Foot & Ankle,” “Principles of Debridement in Wound Salvage,” “Selective Foot Amputation And Skin Grafting,” Bethesda, Maryland, July 2003
75. Invited Speaker, KCI, “Debridement and the Use of the VAC in Wound Care.” Greenbelt, MD, July 2003
76. Invited Speaker, The Mid-Atlantic Region of the Wound Ostomy and Continence Nurses Society, “Contemporary Concepts in Limb Salvage,” Tyson’s Corner, VA, October, 2003
77. Invited Speaker, Foot and Ankle Institute of America, “Soft Tissue Reconstructive Techniques,” Tyson Corner, October 2003
78. Invited Speaker, General Surgery Grand Rounds at Georgetown University, “Current Concepts in Diabetic Limb Salvage,” Washington, DC, March 2004
79. Invited Speaker, American Society of Podiatric Dermatology Cherry Blossom Conference, “Uses of the VAC in Salvage of the Diabetic Foot,” Sibley Hospital, Washington, DC, April 2004
80. Invited Speaker, Northern Virginia Podiatric Medical Association, “Use of the VAC in Improving Skin Graf Take,” Tyson Corner, April 2004
81. Invited Speaker, 35<sup>th</sup> National Conference of Association of Surgical Technologists, “Multi-disciplinary Approach to Diabetic Limb Salvage,” Washington, DC, May, 2004
82. Invited Speaker, Georgetown Rheumatology Grand Rounds, “Current concepts in Wound Healing,” Georgetown University, Washington, DC, January 2005
83. Invited Speaker, American Orthopaedic Foot and Ankle Society: 35<sup>th</sup> Annual Winter Meeting, “Treating Wound Complications in Foot and Ankle Surgery,” Washington, DC February 2005
84. Invited Speaker, Washington Orthopedic Society Meeting, “How to Deal with Soft Tissue Complication of Orthopedic Surgery,” Washington, DC, February 2006
85. Invited Speaker, Potomac Hospital Grand Rounds, “Current Concepts in Diabetic Limb Salvage,” Woodbridge, VA, June 2006

86. Invited Speaker, Georgetown University Hospital Medical Grand Rounds, “Current Concepts in Diabetic Limb Salvage,” Georgetown University, Washington, DC, July 2006
87. Invited Speaker, Suburban Hospital Grand Rounds, “Current Concepts in Diabetic Limb Salvage,” Bethesda, MD, September 2006
88. Invited Speaker, Holy Cross Hospital Grand Rounds, “Current Concepts in Diabetic Limb Salvage,” Silver Spring, MD, October 2006
89. Invited Speaker, Mid-Atlantic Podiatry Conference, “Soft Tissue Closure: Plastics and Bioengineered Tissues,” “The Art of Debridement,” “Skin Grafting in the Foot and Ankle,” “Indications for Use of Muscle Flaps,” Bethesda, MD, October 2006
90. Invited Speaker, INOVA Fairfax Hospital Grand Rounds, “Current Concepts in Diabetic Limb Salvage,” Falls Church, VA, January 2007
91. Invited Speaker, Spring 2007 VAMHCS Wound Season, “Advanced Wound Care,” Baltimore, MD April 2007
92. Invited Speaker, Georgetown University Hospital Professional Staff Meeting, “Current Concepts in Diabetic Limb Salvage,” Washington, DC, May 2007
93. Invited Speaker, Diabetic Limb Salvage: A Team Approach, “Preserving Length: The Role of VAC in Foot Amputations,” Washington, DC, September 2007
94. Conference Co-Chair, Diabetic Limb Salvage: A Team Approach, Washington, DC, September 2008
95. Invited Speaker, Abdominal Wall Reconstruction, “Surgery vs. Antibiotics: How Much is Too Much/Too Little?” Washington, DC, June 2009
96. Invited Speaker, INOVA Loudoun Hospital, “Wound Care Management,” Leesburg, VA, September 2009
97. Invited Speaker, 19<sup>th</sup> Annual Baltimore Limb Deformity Post-Course, “Soft Tissue Reconstruction for Osteomyelitis,” Baltimore, MD, September 2009
98. Conference Co-Chair, Diabetic Limb Salvage: A Team Approach, Washington, DC, September 2009
99. Invited Speaker, IONVA Wound Healing Center, “Limb Salvage: 2009,” Fairfax, VA, November 2009
100. Summit Member, Amputee Coalition of America: Limb Loss Task Force, Arlington, VA, April 2010

101. Invited Speaker, 2010 Baltimore Flap Course, “Difficulties of Lower Third Soft Tissue,” Baltimore, MD, May 2010
102. Guest Lecturer, The Gene Vance Jr. Foundation and the National Naval Medical Center, “The Regional Areas of Ischemia; Any Solutions?” Bethesda, MD, May 2010
103. Guest Lecturer, Abdominal Wall Reconstruction, “Preparing the Infected Wound: Surgical Debridement,” “Adjuncts to Healing the Abdominal Wound,” Georgetown University Hospital, Washington, DC, June 2010
104. Conference Co-Chair, Diabetic Limb Salvage: A Team Approach, Washington, DC, October 2010
105. Invited Speaker/Session Moderator, American College of Surgeons Clinical Congress, “Evidence-based Management of the Diabetic Foot,” Washington, DC, October 2010
106. Invited Speaker, Grand Rounds, Department of Orthopedic Surgery, Georgetown University Hospital, “Current Update in Diabetic Limb Salvage,” February 2011
107. Invited Speaker, Grand Rounds, National Rehabilitation Hospital, “The Current State of Diabetic Limb Salvage,” February 2011
108. Conference Co-Chair, Diabetic Limb Salvage: A Team Approach, Washington, DC, September 2011
109. Invited Speaker, Walter Reed National Military Medical Center, “Arterial Ulcers,” Bethesda, MD, October 2011
110. Invited Speaker, Lower Extremity Flap Course, “Wound Bed Preparation and Applications,” “Pedicled Flaps in the Foot and Ankle,” Baltimore, MD, September 2012
111. Conference Co-Chair, Diabetic Limb Salvage: A Team Approach, Washington, DC, October 2012
112. Invited Speaker, Lower Extremity Flap Course, “Pedicled Flaps in the Foot and Ankle,” “Wound Bed Preparation and Application,” Baltimore, MD, April 2013
113. Invited Speaker, Mid-Atlantic Region Wound, Ostomy and Continence Nurses Society Conference, “What is New in Diabetic Foot Salvage?” Ellicott City, MD, October 2013

## BOOK CHAPTERS

1. **Attinger, C.E.** Use of Soft Tissue Techniques for the Salvage of the Diabetic Foot, The Medical and Surgical Management of the Diabetic Foot, Kominsky, S. (ed.), Mosby & Co., 1994
2. Travaglino-Parda, R., **Attinger, C.E.**, Sidawy, A.N. Neuropathic and Biomechanic Etiology of Foot Ulceration in Diabetics, in The Basic Science of Vascular Disease, Sidawy A. (ed.), Futura Publishing, 1997
3. **Attinger, C.E.** Foot and Ankle Preservation, Grabb & Smith's Plastic Surgery, Fifth Edition, Aston S.J., Beasley R.W., Thorne C.H.M. (eds.), Lippincott-Raven Publishers, 1998
4. **Attinger, C.E.** Plastic Surgery Technique for Foot and Ankle Surgery, Disorders of the Foot and Ankle, Second Edition, Myerson, Mark (Ed.), W.B.Saunders, 1999
5. **Attinger, C.E.**, Fine, N. Soft Tissue Coverage of the Foot and Ankle, Operative Treatment of the Foot and Ankle, Kelikian, A.S. (Ed.), Appleton & Lange Publishing 1999
6. **Attinger, C.E.** Wound Management in the Orthopedic Patient, in The Principles of Orthopedic Surgery, 3rd ed., Wiesel, S. & Delahay, J.W.B. (eds.), Saunders 2000
7. Aaron A.D., Shannon B., and **Attinger, C.E.** Surgical Management of Soft-Tissue Sarcoma,

- Clinical Pathology of Soft-Tissue Tumors, E. Montgomery & A. Aaron (eds.) Marcel Dekker, Inc. 2001
8. Ganz, J., **Attinger, C.E.** The Vastus Lateralis Muscle Flap, in Chest Wall Reconstruction, Evans G. (ed). Marcel Dekker Inc. 2004
  9. **Attinger, C.E.**, Bulan, E., Blume, P. Pharmacologic and Mechanical Management of Wounds, In Plastic Surgery, Mathes S. (ed), Saunders 2004
  10. **Attinger, C.E.** Chronic Diabetic Wound Treatment, In Advanced Reconstruction Foot and Ankle, edited by Nunley JA, Pfeffer GB, Sanders RW, Trepman E. American Academy Orthopedic Surgeons 2004
  11. **Attinger, C.E.** Lower Extremity Reconstruction: Chronic Wounds. Handbook of Plastic Surgery edited by Benhaim P., Greer s et. al., Theime Medical Publishers, 2004
  12. **Attinger, C.E.** Debridement, The Diabetic Foot Handbook edited by Armstrong D., American Diabetic Association, 2004
  13. **Attinger, C.E.**, Ducic, I. Foot and Ankle Reconstruction, Grabb & Smith's Plastic Surgery, sixth Edition, Aston S.J., Beasley R.W., Thorne C.H.M. (eds.), Lippincott-Raven Publishers, 2005
  14. **Attinger, C.E.** Soft Tissue Reconstructive Options for the Diabetic Ulcerated or Gangrenous Diabetic Foot. The Diabetic Foot, Medical and Surgical Management, second edition, Veves, A., Guirini, J.M., Logerfo, F.W., Humana Press, New Jersey, 2006
  15. Boehmler, J., **Attinger, C.E.** Foot and Ankle Reconstruction, Current Therapy in Plastic Surgery, McCarthy J. G., Galiano R.D., Boutros S.B. (eds.), Saunders Elsevier Publishers, 2006
  16. **Attinger, C.E.**, Colen, L.B. The Role of Microsurgical-Free Flaps in Foot and Ankle Surgery, Lower Extremity Soft Tissue and Cutaneous Plastic Surgery, Dockery G.L., Crawford M.E. (eds.), Saunders Elsevier Publishers 2006
  17. **Attinger, C.E.**, Colen, L.B. The Use of Local Muscle Flaps in Foot and Ankle Reconstruction, Lower Extremity Soft Tissue and Cutaneous Plastic Surgery, Dockery G.L., Crawford M.E. (eds.), Saunders Elsevier Publishers 2006
