The 33rd Annual Gifts of Light Ceremony

Sunday, December 2, 2018 • 5:00 p.m.

MedStar Montgomery Medical Center

18101 Prince Philip Drive • Olney, MD 20832

In 1985, Women's Board President Anne Willson established the first annual Gifts of Light ceremony, held on the first Tuesday in December. For the past 32 years, this holiday event has become a community tradition, offering a warm way to celebrate an occasion, honor friends and family, or remember a loved one.

Join us for an evening of holiday music, reading of the Life Light honorees, tree illumination and a light fare reception! The annual Gifts of Light Ceremony is a nondenominational event hosted by the Women's Board in support of MedStar Montgomery Medical Center.

All funds raised benefit the Women's Board, supporting their annual Scholarship Program for students in health care, hospital facility upgrades, as well as the purchase of new and innovative medical equipment.

Give a Life Light and your honoree will be acknowledged the night of the event, listed each year in the evening program and have a special light re-lit annually. **Donate an Annual Light** and your honoree will have a special light illumination and a listing in the evening's program.

Visit MedStarMontgomery.org/GiftsofLight for more information. All dedications will be acknowledged online following the event.

NOTE: Deadline for inclusion in the evening program is Tuesday, Nov. 13. Responses received after this date will be read at the 2018 ceremony and published in the 2018 program. Responses received after Friday, Nov. 30, 2018, will be read and published at the 2019 Gifts of Light.
