## **MEDSTAR SOUTHERN MARYLAND HOSPITAL CENTER ADULT VOLUNTEER PROGRAM – AN OVERVIEW**

MedStar Southern Maryland Hospital Center is always accepting adult volunteer applications. Whether you are retired from work, a current college student looking for practical work experience, or currently exploring your career options, MedStar Southern Maryland Hospital Center has a volunteer position for you!

### The Application Process:

- 1) Once a completed application is received, we will send it out for a background check. Incomplete applications will not be eligible for consideration, so please make sure it is complete. The results of the background check take an average of 10 days to receive. Once received, you will be contacted to schedule an interview.
- 2) The next step is the interview. During this interview, the prospective volunteer and the Volunteer Services Coordinator speak about the prospective volunteer's availability, scheduling, potential work placements, and the rules and expectations of the program. You will receive an orientation packet to read with an attached quiz to complete. You must then turn the completed quiz in at your next appointment (see item number 4).
- 3) The next steps are t-spot test and titer test. The t-spot test will determine whether or not a person has been exposed to TB. A titer test will reveal whether you lack immunity to certain diseases. These tests are done in Employee Health (free of charge) from 7:30am to 4:00pm Monday thru Friday. If the titer test shows that you are lacking immunity to a certain disease, you must follow-up with your personal physician.
- 4) Once the Volunteer Office receives the permission to start form from Employee Health, the volunteer applicant will then be called for another appointment. At this appointment, he/she will receive his/her uniform (there is a refundable \$25 deposit required in order to receive the uniform), an ID badge, their work assignment, schedule, and start date.

### Other Important Notes:

Adult volunteers must be over the age of 18.

Adult volunteers must commit to a minimum of 3 months of service (at least 4 hours of service per week).

Adult volunteers born after 1956 must show immunity to both Rubeola (Measles) and Rubella (German Measles). The titer test you will receive in Employee Health will help us to determine whether or not you have immunity to these two diseases. If you do not have immunity, you must see your personal physician to receive vaccinations.

During flu season, it is mandatory for all volunteers to have record of a flu shot vaccination on file prior to volunteering at MedStar Southern Maryland Hospital Center. The flu vaccination will be available free of charge in Employee Health.

Volunteers are expected to maintain a professional appearance at all times. Volunteers are expected to wear business casual clothing. Certain departments (such as radiology) may allow their

volunteers to wear scrubs. Please check with your individual departments. The Volunteer Services Coordinator must receive in writing that you are allowed to wear scrubs from your department. **Whether you are wearing scrubs or business clothes, it is important to ALWAYS wear your volunteer smock so that patients, visitors, and staff know that you are a volunteer. Volunteers are NOT allowed to wear jeans, shorts, stretch pants, jogging suits, athletic attire of any kind, or T-Shirts with printing of any kind.**

Volunteers MUST adhere to the confidentiality and privacy of patients and staff. All patient information must be kept confidential.

Volunteer Benefits:

- 1) Volunteers who work 3.5 hours or more per day are eligible to receive a free meal ticket. Meal tickets are issued by the Volunteer Office.
- 2) Volunteers are welcome to attend any employee social function or training workshop.
- 3) Volunteers have an Annual Awards Dinner Banquet every April.
- 4) Volunteers receive awards pins when they have hit certain hour marks.
- 5) Free parking.
