

We're moving!

We're pleased to share we are relocating to **MedStar Health at Lafayette Centre**. This state-of-the-art-facility brings together more than 100 physicians to meet your healthcare needs and offers more services in one convenient location.

Our 100,000 square-foot facility is just a few blocks away and gives you and your family access to comprehensive and coordinated medical care, all in the same location. Some of the services include the following:

Building 1 - North

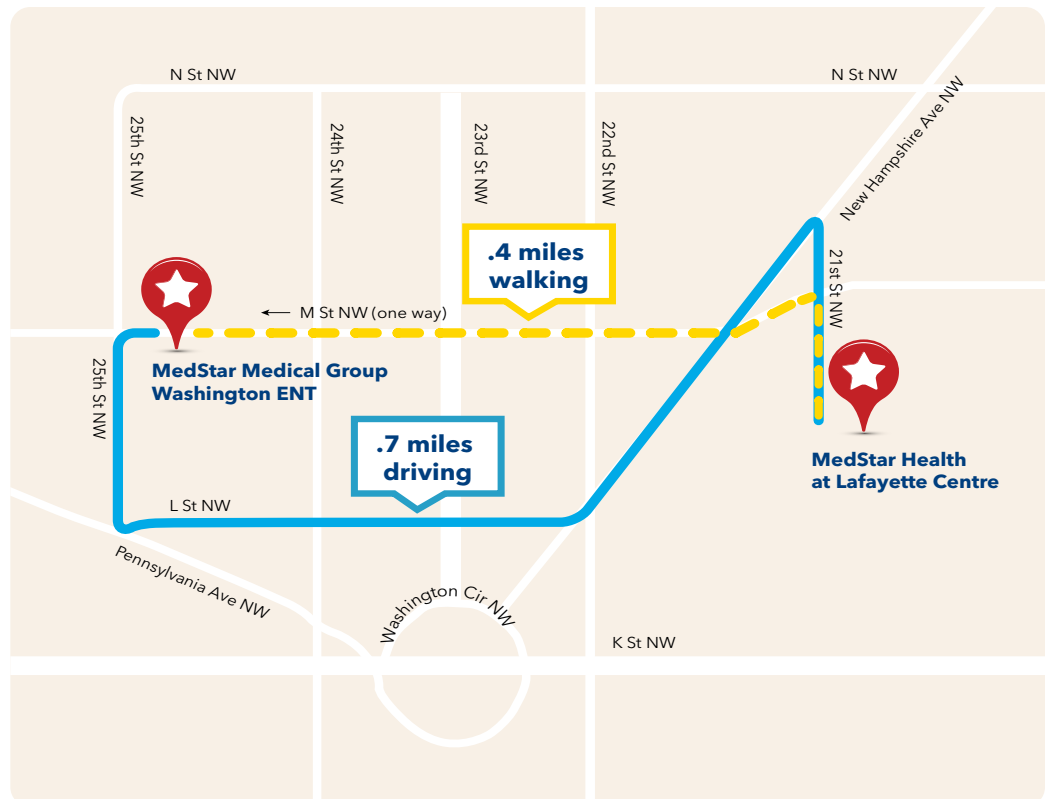

- Rehabilitation
- Sports Performance

Building 1 - South

- Orthopedic and Sports Medicine Physician Offices
- MRI

Building 2

- Breast Health Program
- Cardiology
- Colorectal Surgery
- Dermatology
- Endocrine Surgery
- Endocrinology
- Gastroenterology
- Laboratory Services
- Neurology
- Pain Management
- Primary Care
- Radiology
- Surgery Center
- Urology
- Vascular
- Women's Health

Effective August 10, we will have a new address and telephone number.
