ALL ARE WELCOME!

No experience necessary, this is an introductory level clinic to help develop this program.

Paralympic boccia competition is open to male and female athletes with severe locomotor disabilities of a cerebral or non-cerebral origin, including individuals with CP, stroke, traumatic brain injury, high-level spinal cord injuries, muscular dystrophy, multiple sclerosis, ALS and arthrogryposis.

For additional information on eligibility, go to www.bisfed.com.

Contact Tanece James at 202-877-1427 or
