

# Your Primary Care Provider (PCP)

When you join MedStar Family Choice, one of our doctors will be your main doctor. This doctor is called your primary care provider or PCP. Your PCP will help you get the health care you need.

It is important to call your PCP first when you need care. If you had a doctor before you signed up with MedStar Family Choice, please call Member Services at 888-404-3549. We can help you stay with that doctor if you want to.

## How to pick your PCP

- Pick a PCP at the time you enroll in MedStar Family Choice. This person will be your PCP while you are a member of MedStar Family Choice.
  - If your current PCP is a member of MedStar Family Choice’s network, you may stay with that doctor.
  - If you don’t have a PCP, you can choose from a list of doctors at **medstarfamilychoice.com** or in our Provider Directory.
  - Call Member Services at 888-404-3549 if you need help picking a doctor.
  - If you do not pick a PCP within the first 10 days of being in our plan, we will choose a doctor for you. If you do not like the PCP we pick for you, you may change your PCP. Call Member Services at 888-404-3549 to change your PCP.
  - MedStar Family Choice will send you a member ID card. Your card will have your PCP’s name and phone number on it.
- Choose a PCP. Your PCP may be one of these types of doctors:
  - Family and general practice doctor: Usually can see the whole family
  - Internal medicine doctor: Usually sees only adults and children 16 years old and older
  - Obstetrician/gynecologist (OB/GYN): Specializes in women’s health and maternity care
- When you pick your PCP, please:
  - Pick a doctor who is close to your home or work.
  - Try to pick a doctor who can send you to the hospital you want. Not all doctors can send patients to all hospitals. Our provider directory lists which hospitals a PCP can send you to. You can also call Member Services for help.
  - Sometimes the PCP you choose won’t be able to take new patients. We will let you know if you need to pick a different doctor and Member Services can help you pick one.

**If you are a new member of MedStar Family Choice, you should make an appointment for your first health check up as soon as possible. If you would like assistance with scheduling your first appointment, please contact our Outreach Department at 855-210-6203.**
