ER Auto-Pay List

**MedStar Family Choice-Maryland HealthChoice Product
MedStar Family Choice-District of Columbia Healthy Families**

September 1, 2015

Our ER auto-pay list can be found on our website at www.medstarfamilychoice.com . Please note that claims for emergency services with ICD-9-CM diagnosis codes on the auto-pay list will be paid for covered members without further documentation for dates of service through September 30, 2015. We reserve the right to audit claims in accordance with applicable regulations for consistency between clinical documentation and information presented on the bill (including the reported diagnosis).

As of October 1, 2015, the MedStar Family Choice ER auto-pay list will be updated to reflect ICD-10 diagnosis codes. We have attached a copy of this new list for your review.

Please note that the MedStar Family Choice ER auto-pay list does not apply to the DC Healthcare Alliance product.

If you have any questions regarding the expanded list, please contact the MedStar Family Choice Provider Relations Department in Maryland at 800-905-1722 or our Provider Relations Department in Washington DC at 1-855-210-6203.
