Ways Providers can help decrease ER utilization for minor illnesses or injuries:

- Encourage the member to contact you first to discuss their condition before going to the ER
- If during normal business hours provide urgent sick appointments
- If after hours or unable to provide an urgent sick appointment encourage use of an Urgent Care Center
- Members can talk with a nurse about their condition by calling 24/7 Nurse Hotline at 855-210-6204.
Primary Care Assignment

• Auto-assignments
  – PCPs only
  – Members who do not select a PCP are assigned one based on geography

• PCP Rosters are mailed monthly

• PCPs must alert MFC 30 days in advance of reaching patient capacity.
Member Eligibility

• Member ID Cards
  – PCP name is printed on card
  – Members may change PCPs at any time
  – Members may see any MFC PCP even if the PCP name is not listed on the ID card
    • Member must be eligible on DOS
    • Provider must be par on DOS
  – Have member call member service number on back of card to change PCPs

Referrals and Pre Authorizations
Referral Procedures

• **Writing a Referral:**
  - Referrals are valid for 180 days
    • Number of visits is required or the referral defaults to one visit
    • Authorizing signature box must be signed by PCP
  - **PCP Referral forms**
    • Uniform Consultation Referral Form
    • Forms generated by an EMR system are accepted as long as all information on the Uniform Consultation form is represented
    • PCP may give verbal consent to a specialist for one visit if referral is not ready on DOS
Referral Procedures Continued

- **Specialty Care Provider**
  - Directly refer MFC patients for radiology and laboratory services
  - Do not send the patient back to the PCP for these services
  - Use a LabCorp Requisition Form for labs
  - Use a referral form or write a script to participating Radiology providers (must include diagnosis)

- Specialists can refer to other specialists if they receive written or verbal approval from the PCP
  - Document approval in the chart
  - OB can refer to a high risk OB without PCP approval
Obtaining Prior Authorization

- Rendering/ordering provider must:
  - Complete Uniform Referral Form or the MFC Care Management Prior Auth Form
  - Attach most recent clinical documentation to support request
    - For pharmacy requests, check the PA Table prior to sending
  - Fax the form to the health plan
    - MFC Maryland HealthChoice: 1-888-243-1790 or call 1-800-905-1722, option 2
  - If authorized procedures dates of service change or if services are added/changed, call MFC to revise the services originally requested
  - ICD-10/CPT/HCPCS codes in the medical record must match what is being requested for authorization and what is billed to MFC

Please Note: To avoid unnecessary cancellations, please send elective authorization requests at least seven days in advance

Inpatient Authorizations/ Concurrent Review

- **Initial Request for Inpatient Authorization**
  All initial Requests for Authorization of inpatient days must be accompanied by clinical review. MedStar Family Choice will make an authorization decision within one day of receipt of clinical review. The expectation is that clinical will be provided within one business day of admission.

- **Notification of Admissions** will be recorded on the communication log in a separate section. MFC will note them on the communication log sent to the hospital until clinical review is received or the patient is discharged.

- **Concurrent Review**
  For ongoing inpatient reviews, MFC will document on the daily communication log the next scheduled review date. MFC will make a determination within one calendar day of the scheduled review date. If clinical review is not received on the scheduled review date, the day(s) may be subject to denial for lack of information.
Authorization Denials

- Inpatient Authorization Recourse

  - If an Inpatient day is denied, the hospital can request an expedited or urgent appeal either verbally or in writing; only if the member is still inpatient.
  
  - If an Inpatient day is pended or denied, the facility or attending physician can request a peer to peer review while the patient remains inpatient or up to 3 business days after discharge.
  
  - Submitting medical records and/or all clinical information will assist greatly in the decision process.
  
  - Practitioner and MFC Physician Advisor may also engage in informal discussions, when necessary.

  - MFC Maryland HealthChoice: 1-800-905-1722
Pharmacy

• Formulary

• Prior authorization is required for non formulary and select medications
  – For Maryland call Pharmacy Nurse at 1-800-905-1722, Option 2
  – Have clinical information available
    • Refer to PA Table on website for guidance
  – Examples: High cost specialty medications and expensive brands
Pharmacy Continued

- **Synagis (palivizumab)**
  - Complete the Statement of Medical Necessity Form
  - Forms can be obtained from our website
  - Contact Provider Relations for a hard copy of form
  - Authorization is based on criteria set by the American Academy of Pediatrics 2014 Criteria

- **Over the Counter Medications (OTC)**
  - Scripts are required for OTC medication, or the provider may contact the pharmacy directly
  - Refer to MFC formulary for covered medications
  - Refills are permitted
  - Scripts are not required for Latex condoms and Plan B

  Examples of OTC medications that are covered include:
  - Antacids
  - Antibacterial creams
  - Antifungals
  - Cough and cold medicines
  - Laxatives
Pharmacy Denials

• If a member or provider disputes a denial of a prescription drug or pharmacy service, the dispute will go through an appeals process and a decision will be made by a Medical Director.

• If a member or provider believes that the appeal requires urgent review due to the seriousness of the member’s health condition, the member or provider can call MFC at 800-905-1722 to request that the appeal be handled in an expedited way (decision is made within 24 hours).

Rejected Pharmacy Claims

• Pharmacies should contact MFC for rejected claims.

• Providers should contact MFC to discuss rejections when contacted by pharmacy at 1-800-905-1722, Option 2.

• Members should contact Member Services at 1-888-404-3549.
