

IMPORTANT NOTICE

Changes to dispensing of some Behavioral Health Medications for DC Healthcare Alliance members

These changes apply **only** to members covered under the **DC Healthcare Alliance program**

Alliance members who need to fill the behavioral medications noted on the attached list will be required to fill them at the Core Service Agency (CSA) /Department of Behavioral Health (DBH) Pharmacy located at 35 K Street NE, Washington, DC. The pharmacy is open Monday through Friday from 8:30 am to 5 pm. Prescriptions received before 4:15 pm will be filled the same day. Should assistance be required, call (202) 442-4954.

This change applies only to the medications and the dosages and dosage forms indicated on the list. For example, prescriptions for fluoxetine 10 mg and 20 mg capsules should be filled at the CSA/DBH pharmacy, but 40 mg capsules and all tablet doses should be filled at MFC network retail pharmacies. Additional behavioral health medications on the MedStar Family Choice formulary remain available to Alliance members. The standard MFC request procedures for prior authorization, step therapy and non-formulary requests will apply. Emergency 3-Day supplies will be available at MFC network pharmacies for fills when the CSA/DBH pharmacy is closed.

CSA FORMULARY of Medications available through the
 Department of Behavioral Health Pharmacy at 35 K street NE, Washington, DC
