Revised Prior Authorization (Non-Pharmacy) Request Form

Attached is an updated copy of the MedStar Family Choice Prior Authorization (Non-Pharmacy) Request Form. This form has been updated to ensure that providers are submitting all pertinent information required for the prior auth review process **including the facility NPI number**.

The revised Prior Authorization (Non-Pharmacy) Request Form is also available on our website: <https://www.medstarfamilychoice.com/maryland-healthchoice/for-maryland-healthchoice-physicians/utilization-management/>

Discard all previous versions of the form that you have in your office/facility and replace it with the attached updated form.

As a reminder:

- The MedStar Family Choice Prior Authorization (Non-Pharmacy) Request Form must be completed (filled out) in its entirety and supporting documentation must accompany your request.
- Missing or insufficient clinical documentation **and** failure to complete this form in its entirety will result in delays and/or denials.
