

MedStar Family Choice Maryland HealthChoice

Effective February 1, 2020

Modifier 62: Co-surgeon

Effective 2/1/2020, Modifier 62 must be appended to surgical procedure codes in cases of co-surgery. Claims will process at 62.5% of the MFC fee schedule to each co-surgeon.

MedStar Family Choice follows industry standard recommendations from sources such as the Centers for Medicare and Medicaid Services (CMS), Current Procedural Terminology (CPT), the American Medical Association (AMA), and/or other professional organizations and societies. National Correct Coding Initiative (NCCI) editing is followed when applicable.
