MDH - Public Service Announcement**

The Maryland Department of Health (MDH) launched a new public service announcement encouraging parents to review their children's scheduled vaccination status and bring them up-to-date on missed vaccinations. MDH is raising awareness based on recent data showing a significant decrease in pediatric vaccination rates both in Maryland and across the United States after a national emergency was declared on March 13.

A direct link to the Public Service Announcement may be found on the Maryland Department of Health website at: <https://health.maryland.gov/newsroom/Pages/Maryland-Department-of-Health-encourages-parents-to-bring-children%E2%80%99s-vaccinations-up-to-date-amid-COVID-19-pandemic.aspx>
