

HESI Test Information

Prior to arriving to test, you must create an account with Evolve (the HESI testing company).

The HESI A2 entrance exam will be required for application to the Radiography program. The exam consists of Critical Thinking, Reading Comprehension, Grammar, Math, Vocabulary, Anatomy & Physiology, and Learning Styles sections. There is a 4 hour time limit on the HESI A2 administration. Once minimum scores are earned, they will be good for 3 years.

The HESI A2 is a computerized entrance exam required for applying to the Radiography program. There is a 4 hour time limit for examinees to take the HESI A2 that begins after the instructions are read. However, the average time most examinees take for completing the entire exam is two and a half to three hours. This can vary depending on your reading speed and amount of time to answer questions. Further information regarding the HESI test is available at <http://evolve.elsevier.com/exam>.
