Notice of Privacy Practices

Your medical file contains very personal and confidential information. It is very important for you to know that we will release this information with your written consent.

There are times when information is released without your consent to insurance companies, legal authorities and in case of emergency to another doctor or hospital.

When you have any surgeries, your history and physical examination will automatically be sent to the hospital or surgicenter without your consent.

You have the right to have a copy of your file personally or transferred to another physician. To obtain copies for yourself, there may be a cost as per Maryland State Guidelines. Records sent to another provider are free of charge.

I furthermore acknowledge that I have reviewed the MedStar Health Notice of Privacy Practice.
