At A Glance

After more than a century of healing, MedStar Harbor Hospital is a mainstay in the community, serving patients from Baltimore City, and Anne Arundel, Baltimore and Howard counties at our convenient waterside location with **the services of a large, regional medical center in a smaller, more personal environment.** From general medicine and surgery, obstetrics, orthopaedics, and geriatrics to cardiology, gastroenterology and urology, our team of caring physicians and associates serves the unique needs of every patient.

MedStar Harbor Hospital is home to the **National Institute on Aging’s (NIA) clinical research branch.** The NIA supports the Baltimore Longitudinal Study of Aging (BLSA), America’s longest-running scientific study of human aging, begun in 1958.

MedStar Harbor Hospital also houses **Parexel’s Baltimore Clinical Pharmacology Research Unit.** The unit, with 85 beds, specializes in meeting the needs of clients who require demanding clinical studies involving novel and complex procedures or monitoring techniques. The research unit is associated with more than 500 physicians representing 30 medical and surgical specialties.

MedStar Harbor Hospital offers **one of the nation’s leading internal medicine residency programs.** Our residents, who play a vital role in the care of our patients, are among the best in the country, as evidenced by their consistent 100 percent national board certification pass rate, and standardized test scores in the top seven percent nationwide.

Advanced technology available includes state-of-the-art **radiation therapy, multi-slice CT, PET scan, and a cardiac catheterization laboratory.**

MedStar Health, the parent company of MedStar Harbor Hospital, as well as MedStar Franklin Square Medical Center, MedStar Georgetown University Hospital, MedStar Good Samaritan Hospital, MedStar Montgomery Medical Center, MedStar National Rehabilitation Network, MedStar Southern Maryland Hospital Center, MedStar St. Mary’s Hospital, MedStar Union Memorial Hospital, and MedStar Washington Hospital Center, has 3,161 staffed beds and more than 150,000 annual inpatient admissions.

MedStar Harbor Hospital earned the prestigious Excellence Award for Quality from the Delmarva Foundation in 2001, 2006, 2007, 2008, 2010, 2011, 2012, 2013, and 2014.
