SUMMER 2019 STUDENT NURSE TECHNICIAN INTERNSHIP

May 28-August 2, 2019

With MedStar Georgetown University Hospital's Summer Student Nurse Technician Internship, you'll jumpstart your career—and spend the summer in one of the hottest cities for young professionals.

Sharpen your skills.

The Summer Student Nurse Technician Internship is a paid, 10-week experience. Working alongside MedStar Georgetown's elite team of Magnet®-recognized nurses, you'll gain hands-on experience in your area of interest, shadow the pros in a variety of specialty areas, attend educational sessions, and hone your clinical and leadership skills.

Experience Washington, D.C.

Spend your summer diving into all that Washington, D.C. has to offer. With a vibrant arts and music scene, tons of free city activities, amazing restaurants, and a diverse group of nursing students here to explore it all with you, it's an unforgettable way to spend the summer. We even organize a scavenger hunt to start your adventure off right.

EOE

“The Summer Nurse Technician program granted me the real-world exposure I needed to boost my skills, confidence, and leadership outside of the classroom. It made me not only fall in love with D.C., but also MedStar Georgetown University Hospital.”

Mallory Killion, Clemson University
2018 Summer Nurse Technician,
Neuroscience ICU
