### Our History, Our Commitment to You

MedStar Good Samaritan Hospital, a Catholic, not-for-profit hospital, was founded in 1968 through a gift from local merchant and philanthropist Thomas J. O’Neill, a devout Catholic businessman. Long known as a specialty center for rehabilitation and orthopaedics, MedStar Good Samaritan Hospital’s community services include cancer care, diabetes care, geriatrics, renal dialysis, vascular care, and wound healing. And, our emergency department provides outstanding patient care. Visit **MedStarGoodSam.org** for information.

### Your Community Partner

MedStar Good Samaritan Hospital contributes up to \$25 million yearly in community benefits, including subsidized programs, charity care, community outreach, health education, and research, as well as an internal medicine residency program in partnership with MedStar Union Memorial Hospital.

More than 10,000 people are served by MedStar Good Samaritan Hospital’s community seminars and outreach, including:

- Health seminars, with topics including heart care, joint replacement, back health, menopause education and more
- Special events, including Senior Expo and Vintage for vibrant aging
- Support groups, such as those for amputees, diabetics and those with osteoporosis
- Community health fairs and blood pressure screenings
- Adaptive Driving program
- Parish Nurse program, including Health Ministry Network, senior center partnerships, community flu and pneumonia vaccines, as well as church outreach
